London is a historical novel by Edward Rutherford published in 1997, which charts the history of London from 54 B.C. to 1997. The novel begins with the birth of the River Thames and moves to 54 B.C., detailing the life of Segovax, a curious character with slightly webbed hands and a flash of white hair.

## London (novel) - Wikipedia

I have read most of Edward Rutherford's books, some several times. I would recommend London and all the others to anyone who is interested in history. Rutherford has a wonderful way of inserting fictional people into real events that bring them all to life. As I read London I made a list of the places in the wonderful city I would like to visit.
