The Lonely Empress: Elizabeth of Austria by Joan Haslip
Empress Elisabeth of Austria (born Duchess Elisabeth in Bavaria; 24 December 1837 – 10 September 1898) was Empress of Austria and Queen of Hungary by marriage to Emperor Franz Joseph I. She was born into the royal Bavarian House of Wittelsbach. Nicknamed Sisi (also Sissi), she enjoyed an informal upbringing before marrying Emperor Franz Joseph I at the age of sixteen.

Lonely Empress: Life of Elizabeth, Empress of Austria ...

It was a beautiful Indian summer day 117 years ago in Geneva, Switzerland, when Empress Elisabeth of Austria left the Hotel Beau-Rivage, where she spent a night incognito, to hurry to the steamship "Genève". On this Saturday, 10 September 1898, Empress Elisabeth was assassinated by Luigi Lucheni, an Italian anarchist. The tragic event was well covered in the coeval press, as Elisabeth of Austria – also known as Sisi (not "Sissi", like in the movies) – was a mysterious fairy-tale ...

Lonely Empress: Life of Elizabeth, Empress of Austria ...

This biography of the Empress Elizabeth, aka Sisi, is not just well-researched and written; it provides deep insight into the life, times, and struggles of a spirited young woman, ill-prepared for her royal role. Much myth surrounds Elizabeth (not unlike other compelling, yet flawed "royal" women: Eva Peron and Princess Diana, come to mind).

Lonely Empress: Life of Elizabeth, Empress of Austria ...
In this book, he also offers a vivid perspective of Sisi's real, challenging life. How, at only 16 years old, Elisabeth is married to her cousin Franz and is suddenly crowned Empress of Austria. Early on, it shows that this freedom-loving, liberally raised girl is not suited to Vienna's old fashioned court life.

Princess Elizabeth of Bavaria was only 16 when her cousin Francis Joseph came to visit her eldest sister with a view to arranging a marriage. The 23 year old Austrian Emperor fell in love with the fine featured, long limbed, dark haired beauty

File Type PDF Lonely Empress Life Elizabeth Austria Haslip

Elizabeth instead, married her and loved her until her death in 1898 when she was assassinated by the Italian anarchist Luccheni. Elizabeth, though, was a 'modern' woman at a time when that notion was unheard of. Her love for sport, gymnastics, dangerous riding, sailing, poetry and all things Greek were not catered for by Habsburg family life. Her fairy tale romance went disastrously wrong quite rapidly and she fled from her husband and their four children and the confines of her duties as an Empress. For 35 years she went from one spa to the next; suffered the loss of her son Rudolph (who was found dead at Mayerling next to the body of his mistress) and suffered bouts of ill health. But her restless search for freedom became as legendary as her beauty. In this celebrated biography, Joan Haslip provides the answer to the enigma of Elizabeth's flight from reality.

Empress Elisabeth of Austria, known to her family as 'Sisi', belongs to a famous love story of European royalty. In 1853 the Emperor Franz Josef, the most eligible bachelor in Europe, fell in love with her at first sight when she was 15. They were married the next year. On the surface, it was a fairy-tale marriage, all the more poignant, with hindsight, because her tragic death augured the twilight years of the Habsburg Empire. First published in 1988, Brigitte Hamann's definitive biography tells Elisabeth's story from her birth into Bavarian nobility to her assassination at the hands of an Italian anarchist. In her lifetime she was idolised solely for her grace and beauty; but Hamann shows us a stronger character, bitter at her marriage, seeking independence, and struggling against the powerful

influence of her mother-in-law, the Archduchess Sophie.

Elizabeth, Empress of Austria was a tragic and lonely figure. She set the style for royal misfits who would follow her. Readers are certain to compare the life of this royal - an anorexic and fitness freak who absorbed herself in charitable work and died a violent death - with the life of Diana, Princess of Wales.

"Although in public life the Emperor was the unquestioned director of affairs, in his private life his formidable mother still had a crucial influence. She wanted to strengthen the relationship between the Houses of Habsburg and Wittelsbach, and hoped to match Franz Joseph with her sister Ludovika's eldest daughter, Helene ("Nené"), four years the Emperor's junior. However, the Emperor became besotted with Nené's younger sister, Elisabeth ("Sisi"), a girl of sixteen, and insisted on marrying her instead. Sophie acquiesced, despite some misgivings about Sisi's appropriateness as an imperial consort, and the young couple were married on 24 April 1854 in St. Augustine's Church, Vienna. Their married life was not happy. Sisi never really adapted herself to the court and always had disagreements with the Imperial Family; their first daughter Sophie died as an infant; and their only son, Crown Prince Rudolf, died by suicide in 1889, in the infamous Mayerling Incident. In 1885 Franz Joseph met Katharina Schratt, a leading actress of the Vienna stage, and she became his mistress. This relationship lasted the rest of his life, and was, to a certain degree, tolerated by Sisi. Franz Joseph built Villa Schratt in Bad Ischl

for her, and also provided her with a small palace in Vienna. The Empress was an inveterate traveller, horsewoman, and fashion maven who was rarely seen in Vienna. She was stabbed to death by an Italian anarchist in 1898; Franz Joseph never fully recovered from the loss."--Wikipedia.

Lovely Princess - Admired Empress - Lonely Woman Empress Elizabeth of Austria was one of the most fascinating women of the 19th century. She was considered as the most beautiful woman in Europe. When the Empress was murdered in 1898, many people wished to learn more about her, and soon after her death Alborough De Burgh published one of the very first books about Elizabeth's life. Alborough De Burgh, who knew the Empress personally and talked to her friends and companions, wrote about Elizabeth's happy childhood in Bavaria, her challenging time in Vienna and her tragical death in Switzerland. The book was first published in 1899. Now a new edition is available with the original and unabridged text!

A New York Times bestseller, *The Accidental Empress* is the “captivating, absorbing, and beautifully told” (Kathleen Grissom) love story of “Sisi” the Austro-Hungarian empress and wife of Emperor Franz Joseph. The year is 1853, and the Habsburgs are Europe’s most powerful ruling family. With his empire stretching from Austria to Russia, from Germany to Italy, Emperor Franz Joseph is young, rich, and ready to marry. Fifteen-year-old Elisabeth, “Sisi,” Duchess of Bavaria, travels to the Habsburg Court with her older sister, who is betrothed to the young

File Type PDF Lonely Empress Life Elizabeth Austria Haslip

emperor. But shortly after her arrival at court, Sisi finds herself in an unexpected dilemma: she has inadvertently fallen for and won the heart of her sister's groom. Franz Joseph reneges on his earlier proposal and declares his intention to marry Sisi instead. Thrust onto the throne of Europe's most treacherous imperial court, Sisi upsets political and familial loyalties in her quest to win, and keep, the love of her emperor, her people, and of the world. With Pataki's rich period detail and cast of complex, bewitching characters, *The Accidental Empress* offers "another absolutely compelling story" (Mary Higgins Clark) with this glimpse into one of history's most intriguing royal families, shedding new light on the glittering Hapsburg Empire and its most mesmerizing, most beloved "Fairy Queen."

Presents a biography of the emperor of Austria as well as a history of Europe during his reign

Madness lurks behind the pretty façade of everyday life. An elderly lady offers a young woman a piece of cake. She accepts. The lady resembles the Austrian Empress Elisabeth and lives with her servant in an apartment full of bizarre souvenirs. More invitations follow. A seemingly harmless visit to the museum turns into a meticulously planned raid to steal a royal cocaine syringe. Without realizing, the young woman has become the lady's accomplice. Does she realize she is losing control? Why Peirene chose to publish this book: 'On the surface this is a clever thriller-cum-horror story of three women and their descent into addiction, crime

File Type PDF Lonely Empress Life Elizabeth Austria Haslip

and madness. And at times it's very funny. But don't be fooled. The book also offers an exploration of the way the mind creates its own realities and – quite often – deludes us into believing that we control what is actually controlling us. Uncanny, indeed.' Meike Ziervogel 'Linda Stift breaks the world down into frightening fragments. Impressive.' taz 'Such a wicked psychotriller can only come from Vienna.' KulturSPIEGEL 'The reader finds themselves in the situation of Kafka's Josef K: drifting towards the inevitable.' Literaturkritik.de

Biografie van Elisabeth (keizerin van Oostenrijk ; 1837-1898), echtgenote van keizer Franz Joseph.

A free and impetuous spirit, Elisabeth is chosen at the age of fifteen to be the wife of Franz Joseph, Emperor of Austria, which throws her into a world of restrictions and tremendous responsibilities.
