Luka and the Fire of Life is a novel by Salman Rushdie. It was published by Jonathan Cape, Random House in 2010. It is the sequel to Haroun and the Sea of Stories. Rushdie has said "he turned to the world of video games for inspiration" and that "he wrote the book for his 13-year-old son".

Luka and the Fire of Life is born of that insistence. It is not exactly a sequel to the earlier book, but it is a companion. The same family is at the heart of both books, and in both books a son must rescue a father. Beyond those similarities, however, the two books inhabit very different imaginative milieux.

Luka and the Fire of Life was disappointing. Clearly Rushdie loves words. It is full of puns. Clearly he knows his myths and theology. There are all kinds of god and minor deities across many societies and races. So Luka is off on a quest to save his father. As I read I ws reminded of The Wizard of Oz, The Hobbit, and even the Percy Jackson series.

Young Luka travels to the Magic World to steal the Fire of Life needed to bring his storytelling father out of a deep trance.

When his storyteller father falls into a profound sleep, a 12-year old boy endeavors to save him by journeying through The Magic World, where he must overcome phantasmagorical obstacles in order to steal the Fire of Life. By the Booker Prize-winning author of The Satanic Verses. Reprint. A best-selling novel.

Vowing to return to his father--the city storyteller--his lost gift of speech, Haroun begins a quest that introduces him to a mad bus driver, the Shadow Warriors, and the land of darkness.

Haroun: Whatâ€(tm)s the use of stories that arenâ€(tm)t even true? I asked that question and the Unthinkable Thing happened: my father canâ€(tm)t tell stories anymore. That means no more laughter in the city of Alifbay and now the place atinks of sadness. So itâ€(tm)s up to me to put things right. If the water genie Iff can take me on the Hoopoe bird Butt all the way to Gup City then maybe, just maybe, Iâ€(tm)ll be able to persuade the Grand Comptroller to give my father his Story Water supply back. Trouble is, that is strictly forbidden, one hundred percent banned, no way Jose territory... Luka: What do sea monsters eat? The Old Man of the River of Time: Fish and Ships. Why was six afraid of seven? Luka: Because seven eight nine. Luckily, my father is the Riddle King and taught me everything I know. But the stakes are high in this riddle battle, couldnâ€(tm)t be higher in fact! To save my father from Un-Life, Iâ€(tm)ve got to beat the Old Man and steal the Fire of Life that burns at the top of the Mountain of Knowledge. Only problem is that nobody in the entire recorded history of the World of Magic has ever successfully stolen the Fire of Life... A tall, yellow-haired young European traveller calling himself "Mogor dell'Amore," the Mughal of Love, arrives at the court of the real Grand Mughal, the Emperor Akbar, with a tale to tell that begins to obsess the whole imperial capital. The stranger claims to be the child of a lost Mughal princess, the youngest sister of Akbar's grandfather Babar: Qara K&szlig;, 'Lady Black Eyes', a great beauty believed to possess powers of enchantment and sorcery, who is taken captive first by an Uzbek warlord, then by the Shah of Persia, and finally becomes the lover of a certain Argalia, a Florentine soldier of fortune, commander of the armies of the Ottoman Sultan. When Argalia returns home with his Mughal mistress the city is mesmerised by her presence, and much trouble ensues. The Enchantress of Florence is a love story and a mystery - the story of a woman attempting to command her own destiny in a man's world. It brings together two worlds that barely know each other - the hedonistic Mughal capital, in which the brilliant emperor wrestles daily with questions of belief, desire and the treachery of sons, and the equally sensual Florentine world of powerful courtesans, humanist philosophy and inhuman torture, where Argalia's boyhood friend 'il Machia' - Niccol&szlig; Machiavelli - is learning, the hard way, about the true brutality of power. These two worlds, so far apart, turn out to be uncannily alike, and the enchantments of women hold sway over them both. But is Mogor's story true? And if so, then what happened to the lost princess? And if he's a liar, must he die?

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beat • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salsman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called The Satanic Verses, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names: then it came to him: Conrad and Chekhov-Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time: the story of one of the crucial battles, in our time, for freedom of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors: of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for Joseph Anton "A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie's work throughout his career."-Michiko Kakutani, The New York Times "A splendid book, the finest . . . memoir to cross my desk in many a year."-Jonathan Yardley, The Washington Post "Thoughtful and astute . . . an important book."-USA Today "Compelling, affecting . . . demonstrates Mr. Rushdie's ability as a stylist and storytelle. . . . [He] reacted with great bravery and even heroism."-The Wall Street Journal "Gripping, moving and entertaining . . . nothing like it has ever been written."-The Independent (UK) "A thriller, an epic, a political essay, a love story, an ode to liberty."-Le Point (France) "Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie's eye is a camera lens -firmly placed in one perspective and never out of focus."-Los Angeles Review of Books "Unflinchingly honest . . . an engrossing, exciting, revealing and often shocking book."-de Volkskrant (The Netherlands) "One of the best memoirs you may ever read."-DNA (India) "Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing-at all costs-any curtailment on a writer's freedom."-The Boston Globe

This companion novel to Skrypuch's Making Bombs for Hitler follows a boy who joins the underground Ukrainian resistance in the fight against Hitler.

Luka and his friends fight for survival in a post-apocalyptic Seattle filled with demons, ghouls, and savage scavengers who challenge even the soldiers of hell in their brutality. But everything changes when a young girl threatens to change the balance of power.

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts The Great Gatsby and The Bonfire of the Vanities NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's' world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a cross presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, The Golden House also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for The Golden House "[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head."-Associated Press "Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be The Golden House."-Poets & Writers "A tonic addition to American-no, world-literature . . . a Greek tragedy with Indian roots and New York coordinates."-San Francisco Chronicle

The novel that set the stage for his modern classic, The Satanic Verses, Shame is Salman Rushdie's phantasmagoric epic of an unnamed country that is "not quite Pakistan." In this dazzling tale of an ongoing duel between the families of two men—one a celebrated wager of war, the other a debauched lover of pleasure—Rushdie brilliantly portrays a world caught between honor and humiliation —"shamelessness, shame: the roots of violence." Shame is an astonishing story that grows more timely by the day.
