your clients want you to have. Whether you are purchasing a single copy or buying in volume for every attorney in a large firm, this is the single business entities reference you need from the name you trust for all your legal research needs.

All three books are written with an enduring view of the dark corners of the American psyche. Cain hammered high art out of the crude matter of betrayal, bloodshed, and perversity.

‘Jane Austen meets Bridget Jones... Hilarious’ Glamour Meet Butterfly – loveable socialite, avid party-goer, inspired shopper and unwittingly acute observer. Of course everyone thinks her life is perfect but having to contend with a conniving mother-in-law, a husband who doesn’t like parties, and a circle of friends who bring new meaning to the word competitive, Butterfly thinks her life is far from enviable. And as she lurches from crisis to crisis, trailing Jimmy Choos and pearls of wisdom along the way, it seems she might have a little more on her plate than she’s first realised... Wicked, irreverent and hugely entertaining, The Diary of a Social Butterfly gives you a delicious glimpse into the parallel universe of the have-musts.

This cutting-edge book is a clear and thorough exposition of signal-processing fundamentals for communications and major sensing systems. Based on the author's earlier book in this area, this revised and expanded resource offers you expert guidance in the detection of optical, acoustic and radio-frequency signals in noise. It covers digital filtering and parameter estimation, and helps you with problems associated with radar system design, including search, tracking and measurement ambiguity."
