This new, larger-print edition contains all the same features as the original Toolbox edition, including a new and innovative presentation on the econometrics of machining and grinding and an expanded mathematics section, which includes new coverage of coordinate systems and interpolations. Includes improved layout and graphics.

Machinery's Handbook (Machinery's Handbook (Large Print) ...
The large print version is not really large print, it is what we would call normal sized print that we would read every day. Size-wise the book is comparable to the old family Bible passed down through many generations. I have been an engineer for all my life and Machinery's Handbook is my prime source of engineering information.
