If God wanted April Grace to be kind to her neighbors, He should have made them nicer! Growing up in the country is never easy, but it sure is funny—especially if you happen to have a sister obsessed with being glamorous, a grandma just discovering make-up, hippie friends who never shower, and brand new neighbors from the city who test everyone's patience. From disastrous dye jobs to forced apologies and elderly date tagalongs, you'll laugh 'til you cry as you read the Confessions of April Grace! Here are just a couple of April's thoughts: On her sister, Myra Sue: "How anyone can be that dumb and still be able to eat with a fork is beyond me." On senior citizen lovebirds: "What if they started smooching right at the table in front of God and everybody?" In spite of all the loony characters in her life, April Grace is able to learn from her parents as they share the love of God—to even the craziest of characters!

These stimulating essays are evidence that 50 years after its publication Melanie Klein's *Envy and Gratitude* is still a rich source of psychoanalytic inspiration. Sixteen highly regarded analysts, representing a wide range of psychoanalytic thinking, provide new insights and highlight current

developments without avoiding the controversies that surround the original publication. The clinical and literary material is engaging and illustrates the effect of theory on practice and the influence of practice on the evolution of theory. Contents: Foreword - R. Horacio Etchegoyen Introduction - Priscilla Roth 1) "Even now, now, very now . . ." On envy and the hatred of love - Ignes Sodre 2) Envy, narcissism, and the destructive instinct - Robert Caper 3) Envy and Gratitude: some current reflections - H. Shmuel Erlich 4) An independent response to Envy and Gratitude - Caroline Polmear 5) On gratitude - Edna O'Shaughnessy 6) Keeping envy in mind: the vicissitudes of envy in adolescent motherhood - Alessandra Lemma 7) Envy in Western society: today and tomorrow - Florence Guignard 8) He thinks himself impaired: the pathologically envious personality - Ronald Britton 9)

**COUNTERFEIT COWBOY** by Ginny Baird When it comes to love, Only the heart knows for sure... New York reporter Eve Parker is done with being a bridesmaid and ready to become a Wild West Bride. When her editorial director sends her to Wyoming to write an article on a new matchmaking service, Eve's prepared to go under cover. Little does she suspect she'll wind up under the covers with an ultra sexy cowboy. Ted Walker is handsome and charming, and oh so easy to kiss. So easy, in fact, Eve nearly forgets he's the subject of her story. When she reveals the truth, will Ted still be willing to confide? Eve's soon to learn she's not the only one keeping secrets. Ted Walker calls Jackson Hole home. He's got wide open spaces, room to ride, and a dependable place to hang his hat. He's got a booming business besides. With males outnumbering females in these parts, he and his buddy Brian have developed foolproof algorithms for predicting ideal couples. All they have to do is sign up for a week of Wild West Brides adventures, and let the mountain air and moonlight do the rest. When one of Ted's "grooms" goes missing, it's only natural for Ted to fill in. It's just for the week, and he's never mixed business with pleasure. That was before a stunning redhead came to town. Now Ted finds his interest in Eve is more than strictly professional. But how can he be sure her summer loving is for real?

Stanley Lambchop is an ordinary boy. At least he was, until the night his bulletin board fell off the wall and flattened him. At only half an inch thick, Stanley can slide under doors, mail himself across the country in an envelope, and fly like a kite! And that's only the start of Stanley's adventures. In these four tales, Stanley also becomes invisible and helps nab some bank robbers, journeys to outer space to rescue aliens, and, after being rounded out, turns flat—again! One thing is for sure: There's nothing Stanley Lambchop can't do!

Chuck Tingle is a world-renowned master of the 'tingler'; a story so sensual, so erotic, and so powerfully gay that it will change the whole way you look at erotic romance literature. Collected here are three such tales of the unicorn variety. Are you ready to depart on a depraved journey of gay lust that will tingle you to your very core? If so, than this explicit collection is for you. **UNICORN BUTT COPS: BEACH PATROL** Jeff just can't seem to catch a break. Once a working professional at the top of his game, a string of bad luck has sent Jeff to the gutter, literally, where he struggles to survive as a homeless man on Venice Beach. Things go from bad to worse when Jeff is caught stealing a carnitas taco, and is promptly chased down by the Unicorn Butt Cops, a new branch of government that specializes in hot, gay, anal poundings on inline skates. The sentence is for a hardcore, double anal threesome, but little do these unicorn cops know that Jeff is an expert in all things gay and anal, leading to a twist ending that's sure to blow your mind! **ANALLY YOURS, THE UNICORN SAILOR** Out for a stroll after breaking up with his girlfriend, Tuck never could have imagined that he would meet the love of his life in the form of a gay unicorn sailor named Hunter, but that's exactly what happens. The two share a romantic evening until it's revealed that Hunter is about to embark on a year long sail around the world. However, their love remains strong in a series of explicit letters. But Hunter is planning something that will redefine the meaning of love between a man and a unicorn. Soon Tuck finds himself whisked away to the Bahamas on a private helicopter for a hardcore, anal surprise that will have your jaw on the floor. **TOP HORN: TURNED GAY BY THE UNICORN PILOTS** Nick is as patriotic as it gets, but while his friends are

off at war in Europe he's stuck at home with a girlfriend who won't get off his back. But after Nick catches his girlfriend cheating, he finally heads out and joins the air force, qualifying for an elite squad of fighter pilot unicorns. The only problem, of course, is that Nick is a human. After getting consistently razzed by the squad, Nick is suddenly thrown into aerial battle with an opponent from his past, and earns the respect of the unicorns. Now, they return home to celebrate in the showers the best way that they know how.
