Travis said that machine weighs 8,000 pounds, which is 5 times more than most manual lathes, and it's also heavier than the Haas CNC machines many gunsmiths are using. Travis also suspected that they've invested in more gauging tools than most shops to ensure all of this is set up precisely and they're able to get the most from their equipment.

Paul Stevens on my list of top 10 gunsmiths is gifted at the arcane business of blacking and browning barrels but no one would deny the competence and vast experience of Ron and Matt Johnson (who black for Boss and Purdey) or, indeed, the firm of John and James W Gibbs, which offers barrel finishing among its various services. As with barrel blacking, so it is with barrel-making.

Top 10 gunsmiths. Where to take your gun. - The Field
