opportunities for knowledge and personal growth. With insight and humor, Frank Natale shares his wisdom on the thirteen inevitable rites of passage and how *The Circle of Life* illuminates our path of spiritual development through four phases: Preparation, Initiation, Integration, and Realization. "Transformation is the essence of being alive," Natale writes. "These passages are the doorways to our power and spiritual evolution. The passages within the *Circle of Life* are so powerful that knowing what they are and when they will come is not enough to avoid them. The only possibility we have is to accept and

A native New Yorker, in 1967 Natale co-founded Phoenix House in New York, which became the largest residential treatment facility for chemical dependency in the United States. After twelve years as clinical director, Natale left to focus on successful, functioning personalities who want to experience new levels of creativity and aliveness. Working throughout the United States, Europe and Australia, Natale's teaching emphasized self-discovery, personal responsibility and choice as paths to conscious living and spiritual growth.

Can you really create your own reality? Real estate artist, bestselling author, philanthro-capitalist, and modern-day Renaissance man Frank McKinney has done just that. He's pushed his limits professionally (creating then selling forty-four multimillion-dollar mansions on spec), philanthropically (building twenty-nine self-sufficient villages in the poorest country on earth), creatively (writing seven books in six genres), and physically (running the Badwater 135-mile Ultramarathon twelve times). During his journey, Frank discovered an eternal

truth: To create your own reality, you don't change who you are. You just have to redirect or reignite what's already inside. For that, you need ASPIRATION--an almost otherworldly desire to achieve something high or great. Aspire! and its twenty-five get-to-the-point chapters reveal secrets for mastering risk, becoming a "relentless executioner," living your inside on your outside, developing personal magnetism, super-charging your love life, and embracing your highest calling. Let Frank McKinney show you how you too can create your own reality, alter your DNA, and succeed in the business we're all in: the

business of life. Motivation washes off and goes down the drain with the soap at night. Inspiration lasts about as long as a bad sunburn. But ASPIRATION will forever impact your reality and, in turn, the lives of those you love. Find out more at TheAspireBook.com.

where he now sells real estate. He's still divorced, though his ex-wife, to his dismay, has remarried and moved along with their children to Connecticut. But Frank is happy enough in his work and pursuing various civic and entrepreneurial sidelines. He has high hopes for this 4th of July weekend: a search for a house for deeply hapless clients relocating to Vermont; a rendezvous on the Jersey shore with his girlfriend; then up to Connecticut to pick up his larcenous and emotionally troubled teenage son and visit as many sports halls of fame as they can fit into two days. Frank's Independence Day,
