Already completed Michel Thomas Total Spanish? Take your Japanese to the next level with this acclaimed follow-on to the Michel Thomas Method Total Course. No books. No writing. No memorizing. - Guaranteed success. Speak and understand perfectly - Incredible progress. Get what you want, fast - Absolute confidence. Unleash your natural learning style without trying The Method: Stress-free audio learning Michel Thomas teaches you through your own language, so there's no stress, and no anxiety. He builds it up, step by step, and you don't move on until you've absorbed and understood the previous point. And, as Michel Thomas said, 'What you understand, you know; and what you know, you don't forget.' With parallels to the way you learned your own language, each language is learned in 'real-time' conditions. There is no need to stop for homework, additional exercises or vocabulary memorization. A 'virtual' classroom The classroom situation on the recording lets you learn with others.

You enjoy their success, and you learn from their mistakes. The students on the recordings are not reading from scripts and they have received no additional instruction or preparation - just the guidance you hear on the recording. You, as the learner, become the third student and participate actively in the class. There's no such thing as a poor student, only a poor teacher This is an important part of the Michel Thomas Method. Full responsibility for your learning lies with the teacher, not with you, the pupil. This helps to ensure that you can relax and feel confident, allowing you to learn effectively. Why it Works: Learn another language the way you learned your own You learned your own language naturally and enjoyably: now you can learn Japanese in the same way. You'll stick with it because you'll love it. Use the unique method perfected over fifty years by the celebrated psychologist and linguist Michel Thomas.

"Complete Japanese aims to help you to interact with Japanese people through a range of everyday situations. It is an in-depth self-study course that will take you from beginner's to intermediate-level Japanese via a logical step-by-step approach. By the end of the course you will feel confident enough to speak, read and understand Japanese in a wide."--Publisher's website.

Many Westerners are intrigued by Japanese culture, but only a small percentage of them get to see it up close. Very few of them indeed get as close as Chad Frisk. In his short new book he shares his experiences: - Struggling with and mastering a foreign language - Overcoming culture shock and its neglected cousin, reverse culture shock - Teaching English with no formal training - Breaking into traditional Japanese festivals - Managing cross-cultural miscommunication - Constantly feeling stupid This book is a window into the life of a foreigner in Japan and will appeal to anyone who is considering

language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!
