A mountain man is an explorer who lives in the wilderness. Mountain men were most common in the North American Rocky Mountains from about 1810 through to the 1880s (with a peak population in the early 1840s). They were instrumental in opening up the various Emigrant Trails (widened into wagon roads) allowing Americans in the east to settle the new territories of the far west by organized wagon ...

Mountain Man is an American singing trio of women described as "nested in the tradition of American folk" with a traditional Appalachian folk sound. They have earned acclaim from a number of music critics. They often sing a cappella, with a "sparse, haunting, hymnal beauty" sometimes accompanied by soft acoustic guitar, but with their voices "virtually unadorned", according to Guardian critic Paul Lester. The group toured with the vocalist Feist in 2011, and New York Times music reviewer Ben Ra
