Mister Rogers embodied a spirit of unconditional care and acceptance, a fervent faith in children and a calming gentleness that communicated safety. His present-focused manner was the antithesis of the stressful, multitasking world of parenthood that I had come to know all too well. He became a central figure in my emerging fatherhood.

We have this tantalizing piece of information thanks to Joanne Rogers, his wife from 1952 until his death in 2003. She's become something of a legacy protector since she lost her husband, and part of that role is serving as a consultant on Rogers projects like A Beautiful Day in the Neighborhood. The writers of that film approached Joanne to get her blessing for their project, which tells ...

Mr. Rogers' Neighborhood: A Book for Parents and Children

Two essential guides for parents, The Mister Rogers Parenting Book and Mister Rogers' Playtime , are combined into one essential, value-priced volume. Written by the late Fred Rogers, one of the most trusted names in children's television, these award-winning titles provide an authoritative and encouraging reference for concerned parents. Informed by a lifetime of study in child development and years of communicating with children, this incredible resource addresses many parenting situations, from everyday concerns like a dentist's visit to such challenges as divorce and death. It also draws on Mister Rogers' unique experiences with child's play, presenting more than 80 activities that any adult can happily engage in with preschoolers. All in all, it's a perfect gift for any new parent.

Inspirational words on parenting from the beloved PBS series Mister Rogers' Neighborhood, for new parents and those whose children are grown. Fred Rogers has long been a wonderful resource for parents, offering their children entertainment and education through his enduring television show. Now his special brand of good cheer and wisdom are brought together especially for parents in this newest book based on never-before-published works. Many Ways to Say I Love You is a treasury of segments from speeches and observations from his years of working with parents and children, as well as other materials from books, songs, TV commentary, and more. Using stories from his own life, Mister Rogers discusses the importance of children and the role of parents.

Presents information on how to cope with everyday and extraordinary situations to make family life more rewarding. Includes sibling rivalry, problem solving, stress-free holidays, and going to the hospital.

Bringing the lessons of Mister Rogers into the digital age Playful and practical, When You Wonder, You're Learning introduces a new generation of families to the lessons of Mister Rogers' Neighborhood. By exploring the science behind the iconic television program, the book reveals what Fred Rogers called the “tools for learning”: skills and mindsets that scientists now consider essential. These tools—curiosity, creativity, collaboration, and more—have been shown to boost everything from academic learning to children’s well-being, and they benefit kids of every background and age. They cost next to nothing to develop, and they hinge on the very things that make life worthwhile: self-acceptance; close, loving relationships; and a deep regard for one’s neighbor. When You Wonder, You're Learning shows parents and educators the many ways they might follow in Rogers' footsteps, sharing his “tools for learning” with digital-age kids. With insights from thinkers, scientists, and teachers—many of whom worked with Rogers himself—the book is an essential exploration into how kids and their parents can excel at what Rogers taught best: being human.

From Fred Rogers Productions, comes a delightful gift book that shows how the wisdom of Mister Rogers' Neighborhood is as relevant for adults as it is for children. With colorful illustrations and quotes that touch on themes of kindness, empathy, self-care, respect, and love, this is the feel-good book for our times. More then just a children's television show host, Mister Rogers was the friend who helped us appreciate the good things in ourselves, in others, and in the world around us. As soon as he stepped through his front door to change into his cardigan and sneakers, we knew we would meet new people and discover new things. Revisit some of Mister Rogers' greatest guidance that we learned alongside Daniel Tiger, X the Owl, King Friday the XIII, Henrietta Pussycat, and more, including: -You are special -Be generous with your gratitude -Feed the fish -All kinds of feelings are okay -Don't forget the fun And other caring thoughts!

Fred Rogers (1928–2003) was an enormously influential figure in the history of television and in the lives of tens of millions of children. As the creator and star of Mister Rogers' Neighborhood, he was a champion of compassion, equality, and kindness. Rogers was fiercely devoted to children and to taking their fears, concerns, and questions about the world seriously. The Good Neighbor, the first full-length biography of Fred Rogers, tells the story of this utterly unique and enduring American icon. Drawing on original interviews, oral histories, and archival documents, Maxwell King traces Rogers's personal, professional, and artistic life through decades of work, including a surprising decision to walk away from the show to make television for adults, only to return to the neighborhood with increasingly sophisticated episodes, written in collaboration with experts on childhood development. An engaging story, rich in detail, The Good Neighbor is the definitive portrait of a beloved figure, cherished by multiple generations.

Fred Rogers's gentle spirit and passion for children's television takes center stage in this collection of interviews spanning his nearly forty-year career Nearly twenty years after his death, Fred Rogers remains a source of comfort and fond memories for generations who grew up watching Mister Rogers' Neighborhood. Over the course of his career, Rogers revolutionized children's television and changed the way experts thought about the educational power of media. But perhaps his most lasting legacy was demonstrating the power of simply being nice to other people. In this collection of interviews, including his fiery (for him) 1969 senate testimony that saved PBS and his final interview with Diane Rehm, Rogers's gentle spirit and compassionate approach to life continues to be an inspiration. An introduction by David Bianculli provides brilliantly contextualizes the interviews and offers a contemporary reading of Rogers's storied career.

Encourage Your Child to Create, Explore, and Pretend with Dozens of Nurturing and Easy-to-Do Activities This lively volume from the man described on National Public Radio as "the best friend America's families ever had" is packed with more than 80 entertaining games and activities through which parents can encourage children ages 3 to 7 to learn and grow -- and have fun doing it. It offers clear, accessible illustrations along with stimulating activities to help kids explore dramatic play, creation, sensation, self-expression, nature, feelings, science, helping, sharing, and other areas. It also presents helpful parenting advice and explanations of the skills developed through each activity.

Describes what a child can expect to see and do on a visit to the doctor's office.

Fred Rogers speaks with families about their own experiences in coping with the pain and adjustment of divorce. He and Clare O'Brien write clearly about ways parents and children have helped each other through the issues of divorce. 5-14 inch. x 8-18 inch., 183 pages
