Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts.

Nepal - Culture Smart!: The Essential Guide to Customs ...
Never a colony, Nepal was isolated from the rest of the world for centuries. Its extreme terrain has both protected it from outside influence and slowed its development. Its relative inaccessibility has allowed pockets of contrasting cultures to flourish.

Nepal - Culture Smart! The Essential Guide to Customs & Culture by Tessa Feller Unfortunately we do not have a summary for this item at the moment Why buy from World of Books

Nestling in the foothills of the Himalayas, Nepal is a land of contrasts and incongruities—not least in the variety of its cultural, ethnic, and religious weave. Hindu and Buddhist values predominate and help to maintain social harmony despite the divisions between rich and poor, urban and rural, highlands and lowlands. Culture Smart! Nepal sets out to explain the complexities of Nepalese life, from home, to business, and the marketplace.

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and

society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include: * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * do's, don'ts, and taboos * business practices * communication, spoken and unspoken

Looks at the social life, customs, and national characteristics of Nepal, including coverage of such topics as values, attitudes, religion, family, food, language, and social relationships.

The Rough Guide to Nepal offers an insider's guide to Nepal, from its 'Tantric' temples to its lively bars. It details all the finest Himalayan treks, with practical, up-to-date and expert advice on where to go when and what to take. It covers all the National Parks, offering advice and information on everything from tracking wildlife to hiring elephants. Dedicated chapters are devoted to mountain biking, white water rafting and other adventure sports, and there is unrivaled detail on Buddhism, Hinduism and the numerous ethnic groups that make Nepal a unique destination. The Rough Guide to Nepal also contains scores of detailed maps, covering everything from Pokhara and the Chitwan National Park to the Everest Base Camp trek. Originally published in print in 2012. Make the most of your time with The Rough Guide to Nepal. Now available in ePub format.

Sunday Times Travel "... the perfect introduction to the weird,

Read PDF Nepal Culture Smart The Essential Guide To Customs And Culture

wonderful and downright odd quirks and customs of various countries." Global Travel "...full of fascinating-as well as common-sense-tips to help you avoid embarrassing faux pas." Observer "...as useful as they are entertaining." Easyjet Magazine "...offer glimpses into the psyche of a faraway world." New York Times

Gathers stories by Peter Matthiessen, Jimmy Carter, Diane Summers, Broughton Coburn, Meg Lukens Noonan, and Jan Morris describing their adventures in Nepal

"Essential for both the traveller and scholar alike, Nepal fills a long dormant gap in the literature of this spectacular region and is a product of many years of individual research by scholars of Nepal's history, religion, art and sociology. It draws on a variety of authoritative studies of Nepal's cultural history that have been published in European and Nepalese languages." "The guide begins with an overview of the history of Nepal. This focuses on the Kathmandu Valley, with its rich and sophisticated culture, but also outlines developments of historical importance outside the Valley. This is followed by a detailed introduction to religion as it is practised in Nepal: here, the focus is on Hinduism and Buddhism, and on the major deities of each tradition, their relationship to one another, and their representation in art and sculpture." "Although written mainly by academics, the book is intended for a general readership. Easily portable in format, Nepal does not tell the reader where to stay, what to eat or what to wear. It will though help those who wish to appreciate the cultural splendours of Nepal in their historical and religious context and require more information than is imparted by the average tourist guidebook."--BOOK

More than an ethnography, this book clarifies one of the most important current debates in anthropology: How should anthropologists regard culture, history, and the power process? Since the 1980s, the Thakali of Nepal have searched for an identity and a clarification of their "true" culture and history in the wake of their rise to political power and achievement of economic success. Although united in this search, the Thakali are divided as to the answers that have been proposed: the "Hinduization" of religious practices, the promotion of Tibetan Buddhism, the revival of practices associated with the Thakali shamans, and secularization. Ironically, the attempts by the Thakali to define their identity reveal that to return to tradition they must first re-create it—but this process of re-creation establishes it in a way in which it has never existed. To return to "tradition"—to become Thakali again—is, in a way, to become Thakali for the very first time.
