Kindergarten General Report Card Comments

Make at least one comment about next steps. Another temptation teachers face when giving feedback is the temptation to correct everything. The amount of corrective feedback a teacher must give varies with the student and the work. Aim to give enough feedback to support specific improvements in the work but not so much as to overwhelm the student.

Commenting on Strengths & Next Steps

2. End with next steps. Give 1 or 2 actionable steps that parents can take to help their child improve in said subject area. Also mention what you are specifically doing during class time to support the child. It takes a team to help the child meet grade level expectations. 3. Proofread. Before distributing report card comments, review them ...
