The New York State Teacher Certification Exams (NYSTCE) are required for all candidates seeking licensure in the State. The NYSTCE series consists of many different tests assessing skills and abilities necessary for teachers. The Passbook(R) for the Content Specialty Test in Multi-Subject: Teachers of Childhood (Gr 2-6) exam provides hundreds of multiple-choice questions in the areas that will likely be covered on your upcoming certification exam, including but not limited to: literacy and English language arts; mathematics; arts and sciences; and other related areas.

The NYSTCE pedagogical exams are designed according to the Constructivist Learning Theory. Although many teachers have studied aspects of Constructivism in their college programs, including Piaget, Bloom, Vygotsky and Gardner, the connection between these theorists is not always clarified. This book teaches you the correct approach for deconstructing the questions on the exam in order to pick the correct answer. This study guide is designed to help prospective teachers understand this theory and how it applies to learning. The strategies are easy to understand and are the key to passing these State exams. The book covers strategies for decoding the questions and outlines for writing a strong essay as well as common mistakes that teachers make when taking the exams. This time, pass the exam!

As the demand for certified teachers rapidly increases in New York and certification requirements become stricter, Kaplan NYSTCE: LAST & ATS-W, Second Edition is a must-have guide.
