On Anger Race Cognition Narrative

I began reading Sue J. Kim's excellent *On Anger: Race, Cognition, Narrative* at the same time that the city of Ferguson, Missouri, erupted in response to the Michael Brown shooting. The anger of the citizens of Ferguson was depicted on several media sites, but very little attempt was made to understand the intricate historical and political layers that gave rise to this anger.

On Anger: Race, Cognition, Narrative. Sue J. Kim. | MELUS ...

On Anger examines the dynamics of racial anger in global late capitalism, bringing into conversation work on political anger in ethnic, postcolonial, and cultural studies with recent studies on emotion in cognitive studies. Kim uses a variety of literary and media texts to show how narratives serve as a means of reflecting on

Sue J. Kim, On Anger : Race, Cognition, Narrative

Anger is an emotion that affects everyone regardless of culture, class, race, or gender--but at the same time, being angry always results from the circumstances in which people find themselves. In On Anger, Sue J. Kim opens a stimulating dialogue between cognitive studies and cultural studies to argue that anger is always socially and historically constructed and complexly.
