### *Plutarch - Penguin Books*

Pomeroy et al. conclude that Plutarch's works on Sparta, while they must be treated with skepticism, remain valuable for their "large quantities of information" and these historians concede that "Plutarch's writings on Sparta, more than those of any other ancient author, have shaped later views of Sparta", despite their potential to misinform.

### *Plutarch - Wikipedia*

One of the other reviewers is completely correct when he observes that Plutarch never wrote 'On Sparta' as a book - this edition includes four of Plutarch's lives of Spartan kings (taken from works comparing ancient Greek and - to Plutarch - relatively contemporary Roman statesmen) and a large collection of Spartan 'quotable quotes' in an attempt to describe Spartan history and culture.
