Summer Link Math Plus Reading is designed to be a fun way to help a child prepare for the grade ahead during the summer. Each 320-page book includes fun learning activities covering a range of topics in math and reading. The activities review skills from the previous grade and gradually increasing in difficulty to prepare a child for the grade ahead. Summer Link Math Plus Reading is designed for parents looking for a fun and affordable way to help their children stop the summer learning slide and prepare for the grade ahead during the 10 weeks of summer. The easy-to-use full-color activities review and extend essential skills and increase confidence at school. A Test Practice section at the end of each book provides tips and practice for standardized tests and will allow the child to review the topics covered. A skills checklist for parents, a recommended summer reading list, and an answer key are also included.
