There can be no true democracy without all voices heard and respected. Such mutual respect and subjectivity benefits all - the oppressor and the oppressed. Equality does not mean sameness, it means equal freedom to explore and experience our individual human subjectivity in relation to the subjectivity of others. If this is socialism, so be it.

Pedagogy of freedom : ethics, democracy and civic courage

...

While social sciences are witnessing the revival of the idea of deliberative democracy (Elster, 1988), as well as the possibility of transforming social positions through dialogue (Giddens, 1994), we now have a book that discusses how to develop such dialogic democracy in education. In *Pedagogy of Freedom*, Freire defends a universal human ethic that extends not only to schools but also to teachers' training.,
