*Person-Centred Teams - HSA Online Learning*

team, action and reflection is recorded and updated in a person centred team plan. Teams can work through seven questions, each with a range of practical person centred thinking tools, to explore becoming a person centred team. Why do we need them? Implementing person centred planning and thinking in services is deeply challenging. Person centred planning can be a life changing, enriching experience. It can also be a distressing disappointment if nothing changes. Lisa's plan

*Person-Centred Teams: a Practical Guide to Delivering ...*

A 'person centred team' is one which sees its purpose as supporting an individual to achieve the lifestyle they want as part of their local community; who are characterised by a willingness to listen and learn continually; and who highly value personal commitment and relationships with the people they support . This chapter presents and illustrates a way of building person centred teams,

Teams & Leaders We believe that colleagues working in person-centred organisations are more motivated, better communicators, give better support and are better equipped to understand and implement change. Being person-centred with colleagues means seeing and supporting each other as individuals, and working with people's gifts and strengths.
