Do you want dawn ... ? Drew Wagar's epic fantasy, *The Lords of Midnight*, is set in the world of the award-winning Tolkienesque fantasy game, *The Lords of Midnight* by Mike Singleton. The magical land of Midnight, cursed into eternal winter, faces destruction at the hands of the Witchking. The *Lords of Midnight* and the Fey of the Forest combined forces once before to defeat him, but this sudden assault by the Witchking's deadly Doomguard has long been planned to coincide with the Winter Solstice at a time when Midnight has lost the only means it has to mount an effective defence. The amazing cover art was created by Jurij Rogelj.

Scoundrels of Skullport adds TWO new expansions to the *Lords of Waterdeep* board game -- *Undermountain* and *Skullport* -- inspired by the vast dungeon and criminal haven under *Waterdeep*. Players can choose to include one or both expansions in a *Lords of Waterdeep* game. The expansions also allow the addition of a sixth player. The *Skullport* expansion adds a new resource to the game: Corruption. The *Undermountain* expansion features bigger quests and more ways to get adventures. *Scoundrels of Skullport* also includes new Lords, new Buildings, and set-up materials for a sixth player.

The Hodgepocalypse takes North America and the d20 system and makes it a diverse world filled with magical rites, modern technology and bizarre cultures.

Lords of Gossamer & Shadow Our world is but one of untold many, a flux of chance caught in the struggle between form and cacophony. Always, these forces are at war, shaping the infinite worlds. The immortal, self-appointed sovereigns of battle move between planes of reality with impunity: they are creators, shapers, and destroyers of worlds. In Lords of Gossamer & Shadow, you are caught up in this immense conflict. Possess unique and idiosyncratic magical artifacts, command legions drawn from the myriad of otherworlds, and wield incredible powers that alter the very substance of reality. Whether born into it or discovering it later, your character has inherited a legacy of unimaginable power... and with it great danger! Lords of Gossamer & Shadow is an original sourcebook and role-playing game using Erick Wujcik's Diceless Role-Playing system (used in Amber Diceless Role-Playing). This is a standalone product with an original setting, though it is compatible with Amber Diceless Role-Playing.

An archaeologist investigates the collision of an asteroid into the earth and uncovers an ancient mystery with potential consequences for the entire planet. 75,000 first printing.

While in London to perform for the Bishop Beaufort, Joliffe and his fellow players unexpectedly find espionage, danger, and murder in the script when his Eminence, determined to become an advisor to the young King Henry VI, forces them to spy on his rivals. Original.
