Your policy and procedure manual defines the rights and obligations of the employee and the employer. The policy manual is a written expression of the rules governing the employer/employee relationship. It is essential, today more than ever, for a company to protect its rights within that relationship by policies that are both fair and legal.

Procedures are more likely to be required to support internal policies. Consider whether there is a need for clear guidance regarding how the policy will be implemented and by whom. (E.g. a policy regarding receiving complaints will require a set of procedures detailing how complaints will be handled).
