For the fashion
designer seeking

Online Library Portfolio

employment, a well-prepared portfolio is an essential marketing tool.

Designing Your Fashion Portfolio: From Concept to Presentation uses the design process to guide students through conceptualization and assembly of a fashion design

Online Library Portfolio

presentation that will communicate their talents and vision as designers. The richly illustrated text helps students assemble their work and organize it into a compelling story of their artistic talents and market savvy. In the process, students learn to

Online Library Portfolio

evaluate their skills and identify their interests so that they can focus on building collections for their chosen target markets.

The author's fashion design portfolio system enables designers to tailor their portfolios for each client throughout

Online Library Portfolio

their careers.

For Fashion Designers

The Fashion Designer's Sketchbook is a must-have resource for both fashion students and practising designers who wish to learn new ways of generating design ideas in order to create

Online Library Portfolio

Successful fashion collections, and who wish to develop their own creative aesthetic. It demonstrates how the fashion design sketchbook serves as a crucial creative tool for professional development - and a valuable portfolio of design work to

Online Library Portfolio

presentation to potential employers. This book identifies four distinct types of creative journal, each representing a different phase in the design process: the inspiration diary, the working journal, the presentation journal and the design log; and it

Online Library Portfolio

explores how one develops out of the other, each stage in the idea

generation process moving the process forward organically from discovery, to direction, to design development and delivery. The Fashion Designer's Sketchbook shows readers how to turn

Online Library Portfolio

their sketchbooks
into source books;
how to generate
design ideas from
everyday
experience;
explores multiple
ways of presenting
and arranging
elements within
pages; details
digital search and

board journaling;
and provides
exercises to
improve readers'
illustration skills
and enquiry,
promoting in-store
sketching and
visual analysis to
focus awareness of
design aesthetics,
taste levels and
design vision. The
book also explores

Online Library Portfolio

the need to
address market
realities, consumer
profiles and trend
analysis, and
shows how to build
design collections
based on target
customer
demographics and
different markets.
Beautifully
illustrated and
filled with a vast

Online Library Portfolio

range of inspirational and full-colour design illustrations, The Fashion Designer's Sketchbook also features interviews with designers and industry experts. With a strong emphasis on exploratory design, this exciting resource provides

Online Library Portfolio

readers with
stimulating
exercises designed
to enable readers'
