The new, fully updated The Rough Guide to China is the definitive guide to this enchanting country, one of the world's oldest civilisations. From the high-tech cities of Hong Kong and Shanghai to minority villages in Yunnan and Buddhist temples of Tibet, China's mixture of modernity and ancient traditions never fails to impress. With stunning new photography and all the best places to eat, sleep, party and shop, The Rough Guide to China has everything need to ensure you don't miss a thing in this fast-changing nation. Detailed, full-colour maps help you find the best spot for Peking duck or navigate Beijing's backstreets. Itineraries make planning easy, and a Contexts section gives in-depth background on China's history and culture, as well language tips, with handy words and phrases to ease your journey. All this, combined with detailed coverage of the country's best attractions, from voyages down the Yangzi River to hiking the infamous Great Wall, makes The Rough Guide to China the essential companion to delve into China's greatest treasures.

An author subject index to selected general interest periodicals of reference value in libraries.

The English Premier League (EPL) is one of the world ' s most valuable and high-profile sports leagues, with millions of fans around the globe. The 2016/17 season marked the 25th anniversary of the EPL, providing a unique opportunity to reflect on how it has contributed, both positively and negatively, to key developments in football – and in sport and culture more broadly – at local, national and global levels. Drawing on central themes in the social scientific study of sport, such as globalisation, celebrity, fandom, commercialisation, gender, sexuality and race, this book is the first to assess the historical development and current significance of the EPL. With original contributions from several of the world ' s leading football scholars, it provides in-depth case studies of the multifaceted role of the EPL in the contemporary world of sport, as well as offering thought-provoking predications for the future challenges that it will face. The English Premier League: A Socio-Cultural Analysis is a fascinating read for any sport studies student or scholar with a particular interest in football and the sociology of sport.

Already in use by hundreds of independent vendors and developers, here at your fingertips are the groundbreaking packaging and design guidelines that Digital recommends and uses for products headed overseas.
