Radionics—Science of The Future

True radionics is the science of connecting to the Life force through form and structure. It is rather hard to define it in one or two sentences, so a brief history of modern radionics will give one some insight into its workings. The origin of radionics is found in the ancient art of radiesthesia, or dowsing.

Radionics—At the Crossroads of Science & Magic

The premise of radionics is closely allied with spiritualist pursuits of clairvoyance and telekenisis. Its practitioner seeks to gain knowledge and selectively predispose objects or events through extra-physical channels. The point of departure is appropriation of electronic constructs to augment solitary mind power.
