If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

You know what happens when bad boys get what they wish for? Everything... . New York Times bestselling author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her... .admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else... . USA Today bestselling author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go... .

Based on the successful Baby Owner's Manual, The Baby Owner's Maintenance Log presents a refreshing alternative to traditional sugar-sweet baby journals. Hip parents can record all major milestones and measurements in these pages, including the arrival of the unit, fuel preferences and speech activation. Spiral binding, hilarious illustrations and a bound-in envelope for keepsakes make this guided journal a great shower gift.

From the national bestselling author of Slightly Spellbound comes the latest Southern Witch novel featuring Tammy Jo Trask. Tammy Jo rarely sets a toe outside Texas, but when she learns her mother is in trouble, Tammy is determined to save her—even if it means going to hell and back. Fresh off her engagement to wizard Bryn Lyons, Tammy Jo is surprised to make another new family connection when she meets the twin sister she never knew she had. After being spirited away to the fae kingdom of Never as an infant, Kismet has finally escaped, and arrived in Duvall, Texas, with some terrible news: their mother, Marlee, is a prisoner of the Seelie fae. Crossing the ocean to battle the fae isn't Tammy Jo's idea of a romantic getaway, but Bryn refuses to let her go alone—as do her aunt Edie and her ex-husband Zach. Unfortunately, their plot to free Marlee is foiled when they are caught by the fae queen. And the only chance the queen gives them to save Marlee's life may be an impossible quest...

Amy Walker endured unspeakable horrors while being held as a hostage before she was rescued by Dallas Garrett and his brothers from E.D.E.N., Inc. Amy is determined to leave the past behind...but only after she gets some answers to the questions that haunt her: Why was she abducted by the terrorists? Why is her mother locked up in a mental institution? Dallas wants Amy to know he's a man she can trust. He's incapable of offering her his love but promises his sworn protection while she embarks on her quest to discover the truth about her family...and herself. Working on a lead, Amy and Dallas team up with an investigative journalist and an unlikely accomplice whose motives are as murky as his past. Soon they are drawn into the depths of a secret organization that practices non-consensual mind-control experimentation—one that Amy's own grandfather appears to be involved in. With a ruthless enemy closing in fast Amy and Dallas race against time and risk their lives to expose these crimes against humanity...and share a passion neither of them could have expected.

This is a Math book aimed at AP Algebra students and College Algebra Students.The study guide uses Charts,Graphs and word explanations to demonstrateAlgebra Topics

Is there a sin not worth confessing? Ryan Oakes is keeping a huge secret, one that threatens his relationships with both his wife and son. As a new convert, his conscience prods him to tell the truth, but Ryan decides to employ every trick in the book to keep from confessing. When his marriage begins to suffer, he is forced to come clean—but at what cost? Patricia Oakes is troubled by her husband's unusual interest in Karlie Knightly. She is reminded that the only time Ryan cheated on her was with Tiffany, Karlie's mother. While she grapples with her fears, she can't help but be flattered by Timothy Newhouse, a fellow surgeon on an especially difficult case. Will she seek solace in another man's arms? Karlie Knightly's boyfriend, Jamal Weathers, is pressuring her to have sex, and Karlie isn't trying to displease God. On top of that, brutal reviews on her debut song cite her as too sweet and inexperienced. Luckily, her best friend, Brian Oakes, has the perfect suggestion to help her find her edge. Against everyone's advice, Karlie and Brian begin an adventure, which draws them closer. Will she uphold the commitment she made to God? Brian Oakes is enjoying college life and in particular, college girls. When Karlie discovers his deepest secret, he realizes he feels more for her than just a friend. Will Brian reform his ways and grab his chance at true love?

This small volume contains full descriptions of 92 types of natural healing, their history, the equipment used, and possible treatment methods, along with plenty of diagrams and illustrations.

Comingling of human remains presents an added challenge to all phases of the forensic process. This book brings together tools from diverse sources within forensic science to offer a set of comprehensive approaches to handling comingling remains. It details the recovery of comingling remains in the field, the use of triage in the assessment of comingling, various analytical techniques for sorting and determining the number of individuals, the role of DNA in the overall process, ethical considerations, and data management. In addition, the book includes case examples that illustrate techniques found to be successful and those that proved problematic.
