Reframing Public Policy: Discursive Politics and ...

Part II, Public Policy as Discursive Politics (two chapters), examines more specifically the nature of discursive politics and discourse theory and illustrates through a particular disciplinary debate the theoretical, methodological, and political implications of such a conceptual reframing of policy inquiry. Part III, Discursive Policy Inquiry: Resituating Empirical Analysis (four chapters), offers a postempiricist methodology for policy inquiry based on the logic of practical discourse ...

Reviewed in the United States on April 5, 2011. In Reframing Public Policy, Fischer has brought together a variety of perspectives that inform the analysis of public policy, especially the comparison of both positivist/neo-positivist approaches and constructivist/interpretive/discursive approaches to policy. With the dominance of the positivist type literature, the critical set of approaches have been somewhat sidelined as key texts in post-graduate programs.
