A review for the book from another world
renown author.Rita Mulcahy, PMP, is an
author, consultant and member of the

Acces PDF Risk Management Tricks Of The Trade For Project Managers

Project Management Institute's Risk Management Special Interest Group.

Either through frustration at the lack of good, practical risk management reference materials, or because she is bubbling over with ideas on the subject, Rita has written a comprehensive book: "Risk Management - Tricks of the Trade? for Project

Acces PDF Risk Management Tricks Of The Managers." The book is structured

according to the Institute's view of project risk management and is therefore supportive of the Project Management Professional certification exam. It even has a 50-question Final Exam in the certification examination mode. However, Rita's book is much more than that. It

Access PDF Risk Management Tricks Of The Trade For Project Managers provides a very clear and down-to-earth explanation of what project risk management is all about. I was particularly pleased to see an emphasis on things going right (opportunities enhancement) as well as going wrong (risks). The book is lavishly endowed with bulleted lists of explanation for rapid

Access PDF Risk Management Tricks Of The Trade For Project Managers

absorption of content by busy project people. It also has very practical quick-read "Tricks of the Trade" sidebars (e.g. How to interview an expert), check lists, charts, forms and how to use them with worked examples. It is even topped off with quiz games to make it a fun encounter. For University instructors and

Access PDF Risk Management Tricks Of The Trade For Project Managers

training workshop leaders there are plenty of "Questions for discussion". In an appendix there is a long list of potential risks, their cause and effect in various industries. No doubt that list has been culled from the brainstorming efforts of many of Rita's workshop attendees over the years. Still, I could not help but

Acces PDF Risk Management Tricks Of The Trade For Project Managers

empathize with chagrin the construction risk-cause entry "Local politicians, unruly elements, etc." Well said! Armed with this book, there should be no excuse any longer for anyone to declare that they don't know how to apply risk management to their projects, however large or small their projects may be. Nor should there be any

Acces PDF Risk
Management Tricks Of The
Trade For Project Managers
question of how to get started or even why
they should get started and when. The real
benefit of the book is that it demonstrates
very clearly that project risk management
does not have to be difficult, nor
academically challenging. I have always
held that project risk management is really
very simple. When you are gearing up for

Acces PDF Risk Management Tricks Of The Trade For Project Managers

your next project, the best advice I can give is "Don't leave home without it!" R. Max Wideman, P.Eng.FCSCE, FEIC, FICE, FPMI

In business, either you can manage risk, or risk will manage you. The key to successful risk management is use a
