Car Service & Repair Manuals for sale | eBay

Factory service manuals are produced by the vehicle manufacturer. They are the most technical type of workshop manual and are useful for finding out the nitty gritty of maintenance details; for example, they will provide service specifications, torque values, fluid capacities, diagnostic charts, prescribed maintenance timings, detailed instructions for repair procedures – and all the other facts and figures relating to your specific model of car.

Earlier, I had found the service manuals of various other cars like the SX4, Swift etc online in international websites. Most of the info in them were similar to the Indian cars except for India specific changes and cost cutting, especially in the Swift. Coming back to the Celerio I was pretty sure of being shooed away from the MGP dealership ...
