It is thought that many of Scarlatti ' s 555 sonatas were envisioned in pairs, contrasting and complementing each other with regard to tonality, dynamics, tempo, complexity etc. The result is an almost inexhaustible collection of pieces, the artistic value of which cannot be overestimated. Domenico Scarlatti (1685 – 1757) wrote a lot of Sonatas. Fair enough: what else was there to do all day before Twitter was invented? Listening to all these pieces in 2020 proved another challenge. I ' ll make no claim to have heard each work in monkish concentration, and I make no guarantees for the correctness of my observations.

This collection of arrangements for solo guitar is an ideal introduction to Scarlatti's music. The ten varied pieces were carefully chosen for their musical character and technical suitability at intermediate and advanced levels. Core repertoire for Grades 68 of ABRSM's Guitar syllabus. Includes idiomatic adaptations, with original ornamentation.

Split into two volumes (item 29 and 107), this edition concentrates on areas of performance practice such as dynamics, expressive character, fingering, ornamentation, phrasing, rhythmic treatment and tempo. This collection has been compiled for intermediate to moderately advanced students, and to assist the teacher and performer, utilizes four levels of grading (early intermediate, intermediate, late intermediate and early advanced.)

Volume I of this critically acclaimed three-part collection features introductory text and performance notes to 30 Scarlatti sonatas, from Sonata I to Sonata XXX. The works appear in chronological order and with Kirkpatrick numbers. This Urtext edition preserves the sonatas' original presentation, save for the addition of accidentals and the inversion of treble and bass clefs, in accordance with modern practices and ease of playing.

"A selection of sonatas from ... Opere complete per clavicembalo, edited by Alessandro Longo ... 1906-08, by G. Ricordi, Milan."

Compiled for intermediate to early-advanced pianists, this edition includes biographical information on Scarlatti, performance notes by the editor and composer, explanations of ornamentations, and a discussion on the influence of Spanish folk music on Scarlatti's works.

An exact contemporary of Bach and Handel, Domenico Scarlatti was already a celebrated composer in Italy by the time he moved to Portugal. Later he traveled to Spain, where he worked as a harpsichord instructor for Princess Maria Barbara. The lessons he wrote for her are among the most imaginative and unpredictable pieces from the whole baroque period. His music translates very well to the guitar, an instrument where his style is completely at home. This set of 30 sonatastranscribed by acclaimed guitarist Fabio Zanon includes new transcriptions of all- time favorites and some rarer ones as well.

Compiled for intermediate to early-advanced pianists, this 64-page edition includes biographical information on Scarlatti, performance notes by the editor and composer, explanations of ornamentations, and a discussion on the influence of Spanish folk music on Scarlatti's works.

Italian baroque era composer, Domenico Scarlatti, produced a great number of short piano sonatas during his lifetime. This is Volume One of a two-volume collection, labeled "Urtext Edition," 95 pages.

Piano Publications
