Can (should) I get pregnant again shortly after giving birth? | Viewer's question Shona Taboos Related To Pregnancy

One category of Shona taboos is pregnancy, birth and infant taboos. Pregnancy, birth and infant taboos are still observed by the Shona in Zimbabwe by even those who have embraced western science and Christianity. One therefore finds some Shona professionals such as nurses and teachers to be still observing some of the pregnancy, birth and infant taboos. It is important to note that most of the taboos included in this monograph are taken seriously by the Shona.
