Starry Eyes by Jenn Bennett was a fun,
sweet contemporary YA/NA read.

File Type PDF Starry Eyes

Sometimes you just need a fun contemporary YA/NA (I say NA due to some sexual content) read to lighten things up. This book did just that for me. It was a perfect summer read - camping, hiking, stargazing and a friends-to-enemies-to-lovers plot between Zorie and Lennon.

Being a mom is all of it: light and dark, highs and lows, fever pitch frustration and all-consuming love. By now, you already know that with great love comes great joy . . . and great pain. It can be crazy-making! But it doesn ' t have to be. In *Starry-Eyed*,

MOPS director of marketing Mandy Arioto reveals how the brightest and darkest moments of motherhood alike can become a sacred—and sanity-saving—opportunity to encounter God. There is a way to flourish in the midst of it all, and it starts with embracing the light and darkness in life with expectation and awe.

Heartening, enchanting, and always unflinchingly honest, Starry-Eyed will show you how to find the unexpected grace in your life as a woman, wife, mother, daughter, sister, and friend. and pain can mingle with purpose.

Hate-to-love romance takes center stage in Jenn Bennett ' s contemporary novels, Alex Approximately and Starry Eyes, now together in one incredible package that ' s perfect for fans of Jenny Han and Morgan Matson. When the guy you ' re meant to

File Type PDF Starry Eyes

be with is your worst enemy, things can get a little...complicated. Especially for Bailey in Alex, Approximately after she falls for a sensitive film geek she only knows online as “ Alex. ” It also just so happens that Bailey is moving to California—to the same coastal town as her online crush—and yet she is too afraid

File Type PDF Starry Eyes

to tell Alex she ' s moved to his hometown. Or that she ' s landed a job where she ' s being tormented daily by her coworker: smart-alecky yet irritatingly hot surfer boy Porter Roth. But what Bailey doesn ' t know is that Porter isn ' t just any local surfer dude. Porter Roth is Alex...approximately. Trapped in the

File Type PDF Starry Eyes

wilderness with the boy who broke your heart isn't an ideal situation for anyone. And in *Starry Eyes*, it was definitely not what Zorie had planned for a camping trip. Abandoned by her friends with only her ex-boyfriend Lennon for company, the two have no choice but to hash out their issues via witty jabs and insults as they try

File Type PDF Starry Eyes

to make their way to safety. But as the duo travels deeper into California ' s rugged backcountry, secrets and hidden feelings surface. Turns out the magic of the twinkling stars might be the key to getting Zorie and Lennon back together—or the last straw to tear them apart for good. Jenn Bennett ' s popular hate-to-love romances

File Type PDF Starry Eyes

are here to prove that sometimes the one person you can ' t stand is actually the person of your dreams—you just might not know it yet.

In this delightfully charming teen spin on You ' ve Got Mail, the one guy Bailey Rydell can ' t stand is actually the boy of

File Type PDF Starry Eyes

her dreams—she just doesn't know it yet. Classic movie buff Bailey “Mink” Rydell has spent months crushing on a witty film geek she only knows online by “Alex.” Two coasts separate the teens until Bailey moves in with her dad, who lives in the same California surfing town as her online crush. Faced with doubts (what

File Type PDF Starry Eyes

if he ' s a creep in real life—or worse?), Bailey doesn ' t tell Alex she ' s moved to his hometown. Or that she ' s landed a job at the local tourist-trap museum. Or that she ' s being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But life is whole lot messier than the

File Type PDF Starry Eyes

movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she ' s starting to feel for Porter. And as the summer months go by, Bailey must choose whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and more

File Type PDF Starry Eyes

complicated than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex...Approximately.
