Understanding how to control him (and when to let him vent) is the subject of ‘ The Chimp Paradox: The Mind Management Programme for Confidence, Success and Happiness ’ by Prof. Steve Peters. What makes it great, in a nutshell? The Chimp Paradox is very well known and respected and its greatness rests partly on its deceptive simplicity.

Your inner Chimp can be your best friend or your worst enemy...this is the Chimp Paradox Do you sabotage your own happiness and success? Are you struggling to make sense of yourself? Do your emotions sometimes dictate your life? Dr. Steve Peters explains that we all have a being within our minds that can wreak havoc on every aspect of our lives—be it business or personal. He calls this being "the chimp," and it can work either for you or against you. The challenge comes when we try to tame the chimp, and persuade it to do our bidding. The Chimp Paradox contains an incredibly powerful mind management model that can help you be happier and healthier, increase your confidence, and become a more successful person. This book will help you to: —Recognize how your mind is working —Understand and manage your emotions and thoughts —Manage yourself and become the person you would like to be Dr. Peters explains the struggle that takes place within your mind and then shows you how to apply this understanding. Once you're armed with this new knowledge, you will be able to utilize your chimp for good, rather than letting your chimp run rampant with its own agenda.

"An incredibly powerful mind management model that can help a person become happier, more confident, and a healthier more successful person"--Cover.

Do you sabotage your own happiness and success? Are you struggling to make sense of yourself? Do your emotions sometimes dictate your life? The Chimp Paradox is an incredibly powerful mind management model that can help you become a happy, confident, healthier and more successful person. Prof Steve Peters explains the struggle that takes place within your mind and then shows how to apply this understanding to every area of your life so you can: - Recognise how your mind is working - Understand and manage your emotions and thoughts - Manage yourself and become the person you would like to be The Chimp Mind Management Model is based on scientific facts and principles, which have been simplified into a workable model for easy use. It will help you to develop yourself and give you the skills, for example, to remove anxiety, have confidence and choose your emotions. The book will do this by giving you an understanding of the way in which your mind works and how you can manage it. It will also help you to identify what is holding you back or preventing you from having a happier and more successful life. Each chapter explains different aspects of how you function and highlights key facts for you to understand. There are also exercises for you to work with. By undertaking these exercises you will see immediate improvements in your daily living and, over time, you will develop emotional skills and practical habits that will help you to become the person that you want to be, and live the life that you want to live.

Learn how ten habits can help children to understand and manage their emotions and behaviour.

You may not have as much control over your thoughts as you think you do. Part of your brain is a wild, irrational beast, and it's up to you to teach it to behave! The way we humans think isn't as straightforward as it might seem. Our thou.

From one of the world ’ s most admired business leaders, here is a remarkable book that will forever change the way you think about management. The meteoric rise of UK supermarket chain Tesco from humble beginnings to its current status as one of the largest retailers in the world can be largely credited to one man—its recently departed CEO, Terry Leahy. Leahy ’ s unflagging drive and commitment to progress, his no-nonsense approach to leadership, and his visionary perspective on the manager ’ s role made him a transformative figure not only within his company but within the culture at large—he was voted Business Person of the Year by the Sunday Times in 2010. But what ’ s Leahy ’ s secret? How did a workingclass kid whose first job with Tesco was stocking shelves rise to become his company ’ s most dynamic leader—quadrupling the firm ’ s profits and creating a new job every twenty minutes for more than ten years? How did he steer a midlevel supermarket chain to such success that it now accounts for one-seventh of all British spending on consumer goods, with truly global reach and thriving departments in everything from mobile-phone operation to financial services? The answer can be found in ten deceptively simple words—words such as truth, loyalty, courage, and balance. Everyone thinks they understand what these words mean. But what Leahy learned in his fourteen years as the world ’ s greatest turnaround artist was that there is far more to actually practicing these time-honored values than most people know. *Management in 10 Words* is Terry Leahy ’ s unflinchingly honest, deeply insightful account of the most valuable, hard-won lessons of his career. For any leader who aspires to be truly exceptional, this book is a must-read.

Join internationally renowned transformative coach Michael Neill as he guides you through 10 coaching sessions designed to change your life for the better. You'll learn a simple but profound explanation of how the mind works, why happiness is closer than you think, ideas to spark your creativity and productivity, and so much more!
