The Asian Developmental State: Reexaminations and New...

According to Graham Wilson (2003, pp.81-101), the developmental state is in crisis because bureaucrats lost a large part of the instruments they previously had. Moreover, since the end of the Cold War, the United States (US) has repetitively called the East Asian states to deregulate their national economies (Cumings 1999; Pempel 1999).

Korea is generally acknowledged as a typical example of one of the most influential concepts in explaining the rapid economic rise of East Asian countries: the developmental state (Amsden 1989; Woo-Cumings 1999; Chu 2016). Until recently, most researchers had attributed the Korean economy's sophistication to the adaptation of government policies and corporate strategies to the nation's ...
