Mr. Tallec holds a Master's degree in Finance, Business Administration and Management from Université Paris Dauphine as well as a double degree Master in Management and MSc. in Corporate ...

The series, founded in 1970, publishes works which either combine studies in the history of philosophy with a systematic approach or bring together systematic studies with reconstructions from the history of philosophy. Monographs are published in English as well as in German. The founding editors are Erhard Scheibe (editor until 1991), Günther Patzig (until 1999) and Wolfgang Wieland (until 2003). From 1990 to 2007, the series had been co-edited by Jürgen Mittelstraß.

How do today's most successful tech companies—Amazon, Google, Facebook, Netflix, Tesla—design, develop, and deploy the products that have earned the love of literally billions of people around the world? Perhaps surprisingly, they do it very differently than the vast majority of tech companies. In *INSPIRED*, technology product management thought leader Marty Cagan provides readers with a master class in how to structure and staff a vibrant and successful product organization, and how to discover and deliver technology products that your customers will love—and that will work for your business. With sections on assembling the right people and skillsets, discovering the right product, embracing an effective yet lightweight process, and creating a strong product culture, readers can take the information they learn and immediately leverage it within their own organizations—dramatically improving their own product

Efforts. Whether you're an early stage startup working to get to product/market fit, or a growth-stage company working to scale your product organization, or a large, long-established company trying to regain your ability to consistently deliver new value for your customers, INSPIRED will take you and your product organization to a new level of customer engagement, consistent innovation, and business success. Filled with the author's own personal stories—and profiles of some of today's most-successful product managers and technology-powered product companies, including Adobe, Apple, BBC, Google, Microsoft, and Netflix—INSPIRED will show you how to turn up the dial of your own product efforts, creating technology products your customers love. The first edition of INSPIRED, published ten years ago, established itself as the primary reference for technology product managers, and can be found on the shelves of nearly every successful technology product company worldwide. This thoroughly updated second edition shares the same objective of being the most valuable resource for technology product managers, yet it is completely new—sharing the latest practices and techniques of today's most-successful tech product companies, and the men and women behind every great product.

A collection of wit and wisdom on golf offers practical advice to everyone from golf pros—including Tom Kite, Ben Crenshaw, and Sandra Palmer—to high-handicap amateurs. 20,000 first printing.

This book will change the way you think about and invest in your retirement savings plan-forever. Internationally bestselling author and consumer advocate Dan Solin challenges some basic and misguided assumptions about traditional retirement plans to reveal that: ? 401(k) and 403(b) plans are laden with Porky Pig fees, poor investment choices, and conflicts of interest. You may be better off just saying "No!" ? There is a simple way to make smart choices in these plans- and this book shows you exactly what to do and which funds to avoid. ? There is one investment that could be the key to a successful retirement plan. You can do it yourself, with pre-tax or after-tax money. Create your own, inflation-proof pension plan that is guaranteed to provide you with monthly income for as long as you live, and beyond! Smart Investing is not complicated. You have the power to make meaningful changes to your retirement savings plan-no matter what your age or financial status. "If you haven't taken a recent look at what your own retirement investments are doing and-perhaps even more important-how they are put together, reading Solin's smart little book might provide the impetus for action." -Miami Herald

More women than ever today are their household's top-earner. But they face a much higher risk of burnout, infidelity, depression, and divorce. In this much-needed book, Farnoosh Torabi, a breadwinner herself, reveals eyeopening personal stories from a broad range of women and startling new research to candidly address how income imbalances affect relationships. She offers advice on how to manage money in

the relationship while still including your partner, avoid resentment and boost intimacy, encourage your husband to still feel like a hero, and stay happy and focused.

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

With the constitution and by-laws, list of officers and members.

THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.
