The Greatest Traitor: The Life of Sir Roger Mortimer, 1st ...

A quarter century on from its end the Cold War seems at first very remote, Roger Hermiston's definitive biography of one of its most enigmatic figures brings the period brilliantly back to life. George Blake was the MI6 agent who scandalised the nation when he was arrested in 1961 and charged with treason, then thrilled it a few years later by escaping from Wormwood Scrubs and making a home run to the Soviet Union.

spending, and psychological operations against the Soviets. And then in November, NATO conducted a massive military

...

One night in August 1323, a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king's men-at-arms in pursuit he fled to the south coast and sailed to France. There he was joined by Isabella, the Queen of England, who threw herself into his arms. A year later, as lovers, they returned with an invading army: King Edward II's forces crumbled before them and Mortimer took power. He removed Edward II in the first

deposition of a monarch in British history. Then the ex-king was apparently murdered, some said with a red-hot poker, in Berkeley Castle. Brutal, intelligent, passionate, profligate, imaginative, and violent, Sir Roger Mortimer was an extraordinary character. It is not surprising that the Queen lost her heart to him. Nor is it surprising that his contemporaries were terrified of him. But until now no one has appreciated the full evil genius of the man. This first biography, *The Greatest Traitor* by Ian Mortimer, reveals not only Mortimer's career as a feudal lord, a governor of Ireland, a rebel leader, and a dictator of England, but also the truth of what happened that night in Berkeley Castle.

'At every turn the gripping writing reminds you of a world of

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

spies and betrayal that was so much a part of life in post-war Europe... Superb from start to finish.' JEREMY VINE On 3 May 1961, after a trial conducted largely in secret, a man named George Blake was sentenced to an unprecedented forty-two years in jail. At the time few details of his crimes were made known. By his own confession he was a Soviet spy and rumours later circulated that his actions had endangered British agents, but the reasons for such a severe punishment were never revealed. To the public, Blake was simply the greatest traitor of the Cold War. Yet, as Roger Hermiston reveals in this thrilling new biography, his story touches not only the depths of treachery, but also the heights of heroism. In WWII the teenage Blake performed sterling deeds for the Dutch resistance, before making a dramatic bid

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

for freedom across Nazi-occupied Europe. Later recruited by British Intelligence, he quickly earned an exemplary reputation and was entrusted with building up the Service's networks behind the Iron Curtain. And, following a posting to Seoul, he also suffered for his adopted country, when captured by North Korean soldiers at the height of their brutal war with the South. By the time of his release in 1953, Blake was a hero, one of the Service's brightest and best officers. But unbeknownst to SIS they were harbouring a mole. Week after week, year after year, Blake was assiduously gathering all the important documents he could lay his hands on and passing them to the KGB. Drawing on hitherto unpublished records from his trial, new revelations about his dramatic jailbreak from Wormwood Scrubs, and original interviews with

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

former spies, friends and the man himself, The Greatest Traitor sheds new light on this most complex of characters and presents a fascinating shadow history of the Cold War.

NEW YORK TIMES BESTSELLER • The celebrated author of Double Cross and Rogue Heroes returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. “The best true spy story I have ever read.”—JOHN LE CARRÉ Named a Best Book of the Year by The Economist • Shortlisted for the Bailie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.

A biography of Franklin Delano Roosevelt examines his political leadership in a dark time of Depression and war, his championship of the poor, his revolutionary New Deal legislation, and his legacy for the future.

From the New York Times bestselling author of A Legacy of Spies. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

George Blake was the last remaining Cold War spy. As a Senior Officer in the British Intelligence Service who was double agent for the Soviet Union, his actions had devastating consequences for Britain. Yet he was also one of the least known double agents, and remained unrepentant. Through a combination of personal interviews, research and

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

unique access to Stasi records, this book unravels who Blake truly was, what he was capable of, and why he did it

The first biography of the evil genius and rebel baron who deposed and murdered Edward II. One night in August 1323 a captive rebel baron, Sir Roger Mortimer, drugged his guards and escaped from the Tower of London. With the king's men-at-arms in pursuit he fled to the south coast, and sailed to France. There he was joined by Isabella, the Queen of England, who threw herself into his arms. A year later, as lovers, they returned with an invading army: King Edward II's forces crumbled before them, and Mortimer took power. He removed Edward II in the first deposition of a monarch in British history. Then the ex-king was apparently murdered,

some said with a red-hot poker, in Berkeley Castle. Brutal, intelligent, passionate, profligate, imaginative and violent: Sir Roger Mortimer was an extraordinary character. It is not surprising that the queen lost her heart to him. Nor is it surprising that his contemporaries were terrified of him. But until now no one has appreciated the full evil genius of the man. This first biography reveals not only the man's career as a feudal lord, a governor of Ireland, a rebel leader and a dictator of England but also the truth of what happened that night in Berkeley Castle.

The astonishing true story of the Berlin Tunnel, one of the West's greatest espionage operations of the Cold War—and the dangerous Soviet mole who betrayed it. Its code name

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

was “Operation Gold,” a wildly audacious CIA plan to construct a clandestine tunnel into East Berlin to tap into critical KGB and Soviet military telecommunication lines. The tunnel, crossing the border between the American and Soviet sectors, would have to be 1,500 feet (the length of the Empire State Building) with state-of-the-art equipment, built and operated literally under the feet of their Cold War adversaries. Success would provide the CIA and the British Secret Intelligence Service access to a vast treasure of intelligence. Exposure might spark a dangerous confrontation with the Soviets. Yet as the Allies were burrowing into the German soil, a traitor, code-named Agent Diamond by his Soviet handlers, was burrowing into the operation itself. . . Betrayal in Berlin is Steve Vogel’s heart pounding account of the

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

operation. He vividly recreates post-war Berlin, a scarred, shadowy snake pit with thousands of spies and innumerable cover stories. It is also the most vivid account of George Blake, perhaps the most damaging mole of the Cold War. Drawing upon years of archival research, secret documents, and rare interviews with Blake himself, Vogel has crafted a true-life spy story as thrilling as the novels of John le Carré and Len Deighton. *Betrayal in Berlin* includes 24 photos and two maps.

"Rothkopf does a brilliant job defining precisely how Trump has been aiding and abetting the enemy... compelling."  
--Financial Times Political historian and commentator David Rothkopf shows how Trump will be judged by history (Spoiler

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

alert: not well) in Traitor. Donald Trump is unfit in almost every respect for the high office he holds. But what distinguishes him from every other bad leader the U.S. has had is that he has repeatedly, egregiously, betrayed his country. Regardless of how Senate Republicans have let him off the hook, the facts available to the public show that Trump has met every necessary standard to define his behavior as traitorous. He has clearly broken faith with the people of the country he was chosen to lead, starting long before he took office, then throughout his time in the White House. And we may not yet have seen the last of his crimes. But the story we know so far is so outrageous and disturbing that it raises a question that has never before been presented in American history: is the president of the United States the greatest

## Get Free The Greatest Traitor The Life Of Sir Roger Mortimer 1st Earl Of March

threat this country faces in the world? We also need to understand how the country has historically viewed such crimes and how it has treated them in the past to place what has happened in perspective. After his examination of traitors including Benedict Arnold, Aaron Burr, and leaders of the Confederacy, David Rothkopf concludes that Donald Trump and his many abettors have committed the highest-level, greatest, most damaging betrayal in the history of the country.

From bestselling author Ben Macintyre, the true untold story of history's most famous traitor
