The Guild Leader's Handbook: Strategies and Guidance from ...
Leading a guild in massively multiplayer online (MMO) games like World of Warcraft is more difficult than most players think. Your members look to you to solve problems, plan raids and battles, and lead them to riches and renown. In The Guild Leader's Handbook, you'll learn how to create, build, and maintain a successful guild. Author Scott F. Andrews, a longtime guild leader and guild advice columnist for WoW.com, will show you how to guide your guild to glory.

Guild Leader's Handbook | No Starch Press
The Guild Leader's Handbook contains cogent advice for starting a guild, and managing the most contentious of issues from officer's roles to loot distribution. The book won't prepare you for all the wild game issues or interpersonal problems that crop up, but it will help you think through important issues that are most likely to arise, such as real-life conflicts or arguments over raiding roles.

The Guild Leaders Handbook Strategies And Guidance From A ...
The Guild Leader's Handbook covers a lot more ground than I've mentioned in this review, making it easy for me to see why some leaders burn out at some point. As such, I think this book would be a great resource for any current or future guild leader; serious MMO gamers will likely find this to be a useful and informative read, as well.

The Guild Leader's Handbook. - Free Online Library
The Guild Leader's Handbook (with the subtitle "Strategies and Guidance from a Battle-Scarred MMO Veteran") covers pretty much every process, thought and issue a guild leader in any game (not just World of Warcraft!) deals with in their epic quests to slay dragons, collect loot and become famous among their peers. I'll admit that I initially thought the book's content was all going to be pretty much common sense to a seasoned World of Warcraft veteran such as myself, but after I started ...
