We Hear About  
Innovation All The Time  
But Ross Baird Believes  
That There's More To  
Innovation Than Startups  
Solving What He Calls  
"my-world" Problems.

We hear about  
innovation all the time.  
We hear that it's  
happening in primarily  
in technology, where  
startups aim to "disrupt"  
various industries.

Ross Baird came out with a new book, *The Innovation Blind Spot*. In the book, Ross outlines and diagnoses a problem that I've been exploring for over a decade: our innovation economy neglects many people and ideas. Ross kicks off the book with some pretty stark statistics: despite the fact that promising
