The Secret History Quotes by Donna Tartt

Donna Tartt is an American writer who received acclaim for her first two novels, The Secret History and The Little Friend. Her book The Goldfinch won the Pulitzer Prize in 2014. She lives in Virginia and New York City.

Donna Tartt's The Secret History is the original American campus novel. When Richard Papen joins an elite group of clever misfits at his New England college, it seems he can finally become the person he wants to be. But the moral boundaries he will cross with his new friends - and the deaths they are responsible for - will change all of their lives forever. The Secret History recounts the terrible price we pay for mistakes made on the dark journey to adulthood.

Donna Tartt, winner of the 2014 Pulitzer Prize for her most recent novel, The Goldfinch, established herself as a major talent with The Secret History, which has become a contemporary classic. Under the influence of their charismatic classics professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and forever, and they discover how hard it can be to truly live and how easy it is to kill.

This series gives readers accessible and informative introductions to 30 of the most popular, most acclaimed and most influential contemporary novels. Each title includes a biography of the novelist and a full-length study of the novel.

The second novel by Donna Tartt, bestselling author of The Goldfinch (winner of the 2014 Pulitzer Prize), The Little Friend is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother’s Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents’ yard. Twelve years later Robin’s murder is still unsolved and his family remains devastated. So it is that Robin’s sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson—sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town’s rigid lines of race and caste and burrows deep into her family’s history of loss. Filled with hairpin turns of plot and “a bustling, ridiculous humanity worthy of Dickens” (The New York Times Book Review), The Little Friend is a work of myriad enchantments by a writer of prodigious talent.

You are at a nightclub talking to a girl with a shaved head. The club is either Heartbreak or the Lizard Lounge. All might become clear if you could just slip into the bathroom and do a little more Bolivian Marching Powder. Then again, it might not... So begins our nameless hero’s trawl through the brightly lit streets of Manhattan, sampling all this wonderland has to offer yet suspecting that tomorrow’s hangover may be caused by more than simple excess. Bright Lights, Big City is an acclaimed classic which marked Jay McInerney as one of the major writers of our time.

“You’re hooked, you feel every cut, grope up every cliff, swallow water with every spill of the canoe, sweat with every draw of the bowstring. Wholly absorbing [and] dramatic.”—Harper’s Magazine The setting is the Georgia wilderness, where the states most remote white-water river awaits. In the thundering froth of that river, in its echoing stone canyons, four men on a canoe trip discover a freedom and exhilaration beyond compare. And then, in a moment of horror, the adventure turns into a struggle for survival as one man becomes a human hunter who is offered his own harrowing deliverance. Praise for Deliverance “Once read, never forgotten.”—Newport News Daily Press “A tour de force . . . How a man acts when shot by an arrow, what it feels like to scale a cliff or to capsize, the ironic psychology of fear: these things are conveyed with remarkable descriptive writing.”—The New Republic “Freshly and intensely alive . . . with questions that haunt modern urban man.”—Southern Review “A fine and honest book that hits the reader’s mind with the sting of a baseball just caught in the hand.”—The Nation “[James Dickey’s] language has descriptive power not often matched in contemporary American writing.”—Time “A harrowing trip few readers will forget.”—Asheville Citizen-Times “A novel that will curl your toes . . . Dickey’s canoe rides to the limits of dramatic tension.”—New York Times Book Review “A brilliant and breathtaking adventure.”—The New Yorker

A novel about the rich and powerful, tracing their complicated relationships from the 30s to the 60sfrom New York City to Upper New York State. As we have come to expect from Mathews, nothing is as simple as it might appear to be but we could describe this as a story about Allen, who is married to Maud, having an affair with Elizabethwho lives with Maud. What one can emphatically say, is that CIGARETTES is a brilliant display of Mathews ingenuity and deadly playfulness.

An Oprah Editor’s Pick and NPR Best Book of the Year From the author of the award-winning and word-of-mouth sensation Our Endless Numbered Days comes an exhilarating literary mystery that will keep readers guessing until the final page. Ingrid Coleman writes letters to her husband, Gil, about the truth of their marriage, but instead of giving them to him, she hides them in the thousands of books he has collected over the years. When Ingrid has written her final letter she disappears from a Dorset beach, leaving behind her beautiful but dilapidated house by the sea, her husband, and her two daughters, Flora and Nan. Twelve years later, Gil thinks he sees Ingrid from a bookshop window, but he’s getting older and this unlikely sighting is chalked up to senility. Flora, who has never believed her mother drowned, returns home to care for her father and to try to finally discover what happened to Ingrid. But what Flora doesn’t realize is that the answers to her questions are hidden in the books that surround her. Scandalous and whip-smart, Swimming Lessons holds the Coleman family up to the light, exposing the mysterious truths of a passionate and troubled marriage.

A trusted member of the Byzantine establishment, Procopius was the Empire’s official chronicler, and his History of the Wars of Justinian proclaimed the strength and wisdom of the Emperor’s reign. Yet all the while the dutiful scribe was working on a very different - and dangerous - history to be published only once its author was safely in his grave. The Secret History portrays the ‘great lawgiver’ Justinian as a rampant king of corruption and tyranny, the Empress Theodora as a sorceress and whore, and the brilliant general Belisarius as the pliable dupe of his scheming wife Antonina. Magnificently hyperbolic and highly opinionated, The Secret History is a work of explosive energy, depicting holy Byzantium as a hell of murder and misuse.

Self-help books don’t seem to work. Few of the many advantages of modern life seem capable of lifting our collective mood. Wealth—even if you can get it—doesn’t necessarily lead to happiness. Romance, family life, and work often bring as much stress as joy. We can’t even agree on what “happiness” means. So are we engaged in a futile pursuit? Or are we just going about it the wrong way? Looking both east and west, in bulletins from the past and from far afield, Oliver Burkeman introduces us to an unusual group of people who share a single, surprising way of thinking about life. Whether experimental psychologists, terrorism experts, Buddhists, hardheaded business consultants, Greek philosophers, or modern-day gurus, they argue that in our personal lives, and in society at large, it’s our constant effort to be happy that is making us miserable. And that there is an alternative path to happiness and success that involves embracing failure, pessimism, insecurity, and uncertainty—the very things we spend our lives trying to avoid. Thought-provoking, counterintuitive, and ultimately uplifting, The Antidote is the intelligent person’s guide to understanding the much-misunderstood idea of happiness.
