The War on Cops: How the New Attack on Law and Order Makes ...

The War on Cops: How the New Attack on Law and Order Makes Everyone Less Safe By Heather Mac Donald, published 2016, about 250 pages. Synopsis: Violent crime has been rising sharply in many American cities after two decades of decline. Homicides jumped nearly 17 percent in 2015 in the largest 50 cities, the biggest one-year increase since 1993.

The War on Cops: How the New Attack on Law and Order Makes ...

“The War on Cops is an important and timely book. Mac Donald’s clear-eyed analysis separates fact from fiction and provides keen insights into the politics at play and the consequences for law-enforcement officers and the communities they are sworn to protect.” —Ray Kelly, Former Commissioner of the New York City Police Department

The War On Cops | Criminal Justice Book | Heather Mac Donald

The big lie that American policing is systemically racist poses an existential threat to the rule of law, racial harmony, and the social fabric of the United States of America. This dangerously false narrative is a complete fabrication, manufactured and perpetuated by an alliance of loud and powerful voices.

How Lies Of Systemic Police Racism Fuel The War On Cops ...

Description. Description. Details. “The War on Cops” collects and expands on Mac Donald’s groundbreaking and controversial reporting on the Ferguson effect and the criminal-justice system. It deconstructs the central narrative of the Black Lives Matter movement: that racist cops are the greatest threat to young black males.

The War on Cops

In The War on Cops: How the New Attack on Law and Order Makes Everyone Less Safe, Heather Mac Donald, a fellow at the Manhattan Institute, offers a scathing, data-driven account of the misguided...

“The War on Cops is an important and timely book. Mac Donald’s clear-eyed analysis separates fact from fiction and provides keen insights into the politics at play and the consequences for law-enforcement officers and the communities they are sworn to protect.” —Ray Kelly, Former Commissioner of the New York City Police Department

The War On Cops | Manhattan Institute

In response to this, I consulted one of foremost proponents of the war on cops narrative, Heather Mac Donald of the Manhattan Institute. According to her book, The War on Cops: How the New Attack on Law and Order Makes Everyone Less Safe, the war does not consist primarily of violence against police officers, but rather lack of proper fealty to what Will Grigg so appropriately dubbed “the punitive priesthood.

The War on Cops: Where’s the Evidence? | Miss Wire

Youtube Heather MacDonald, author of The War on Cops, strips away the usual emotionalism from the issue of police brutality and turns, instead, to statistics. The numbers are shocking. Instead of supporting the widespread belief that American police are infected with systemic racism against blacks, the numbers prove otherwise.

The War on Cops Is NOT About Racism - Need To Know

Politics aside, the “war on cops” is also having a practical effect on everyday policing. In Dallas, Maj. Geron says officers there are being more cautious: they’re more likely to wait for backup...

‘War On Cops?’ The Power Of Perceptions Vs. What The ...

The War on Cops is not about Racism. Heather MacDonald, author of The War on Cops, strips away the usual emotionalism from the issue of police brutality and turns, instead, to statistics. The numbers are shocking. Instead of supporting the widespread belief that American police are infected with systemic racism against blacks, the numbers prove otherwise.

The War on Cops is not about Racism - Red Pill University

The “Ferguson Effect” will take hold. Cops will back off from confronting the lawless and violent. Criminals will see an opening to seize opportunities. The urban poor who look to the police as their only protection will stay inside and lock their doors. And small businesses, realizing the cops may not be there, will sell and move out.

The War On Cops | NaegelsBlog

Conservatives are bending over backward to blame recent police killings on a so-called war on cops. They claim police are being hunted. This is complete non-sense. They blame the Black Lives Matter movement.

Proof The War On Cops Is a Lie - Michael Owens

The militarization of both rural and urban law enforcement has been attributed to the United States’ involvement in wars during the 20th century, and to increasingly frequent encounters with violent protesters and criminals with automatic weapons, explosives, and body armor, although some attribute the militarization to the more recent campaigns known as the War on Drugs and the War on Terror.

Militarization of police - Wikipedia

This book expands on Mac Donald’s groundbreaking reporting on the Ferguson effect. It deconstructs the central narrative of the Black Lives Matter movement: that racist cops are the greatest threat to young black males. The War on Cops exposes the truth about officer use of force and explodes the conceit of “mass incarceration”. A rigorous analysis of data shows that crime, not race, drives police actions and prison rates.
