The World is in Me is surely a narrative of fantasy world dropped from the imagination of the writer,who with the idea of a co-existing 2D world proves his calibre as a writer. The prologue itself is so intriguing and captivating and proves the book to be a real page-turner.The narrative though not so compromising ,is too good for a debut writer.Conclusively,this is a book worth your time and patience in its genre.

The He that is in me, within the phrase you quote; is God, the trinity. The He that is in the world is the spirit of the antichrist found in Satan and anyone who leads people from God's narrow path to heaven. In context the phrase is an encouragement to believers to show that God has overcome evil.

Between the World and Me is a 2015 nonfiction book written by Ta-Nehisi Coates and published by Spiegel & Grau. It is written as a letter to the author's teenage son about the feelings, symbolism, and realities associated with being Black in the United States. Coates recapitulates American history and explains to his son the "racist violence that has been woven into American culture."

1 What is the world to me With all its vaunted pleasure When You, and You alone, Lord Jesus, are my Treasure! You only, dearest Lord, My soul's delight shalt be; You are my peace, my rest. What is the world to me! 2 The world seeks to be praised And honored by the mighty Yet never once reflects That they are frail and flighty. But what I truly prize
