Toad in the Road is a dad-breakfast classic, not least for the archly unappetizing name. If there is any substantive difference between a Egg-in-a-Hole and the Toad in the Road (pl.: Toads in the Road) I know and love, it is that most recipes call for a thick slice of bread, so the egg remains confined to the well within the bread. Toad in the Road uses regular sliced sandwich bread, so the egg spreads when it hits the pan, and the end result looks like the dish's namesake—roadkill.

Immediately we noticed a lot of amphibian carnage along the road in Upper Sardine Meadow. Every day that we went up to survey, we saw fresh carcasses on the road," said Van Horne. Toads and toadlets (baby toads) cross the road during breeding season and to overwinter in upland habitat. Van Horne says the toads have been trying to use an existing underground drainage culvert to cross the road.
