The Building Operation  
and Maintenance  
Manual, is a document  
which is developed and  
compiled during the  
construction phase of a  
project and is handed  
over to the Client, or End  
User on completion. The  
Building Manual  
contains information

# Where To Download Truck

During my own build I constantly wondered why there was a distinct shortage of single points of reference for anyone embarking on a self-build overland camper project. It seemed to me that a contemporary build-your-own-overlander style manual specific to larger vans / trucks was something that was most definitely missing and so,
