If you do not have a Viking sewing machine manual you can try to get one here. It is also possible that Viking placed the date of manufacture in its serial number. But that cannot be confirmed either at this time. There is one piece of bad news, Viking did not keep a record of their older sewing machine's serial numbers. Dating of those original models is done by the style of the machine ...

afghans, the perfect shield from winter's chill. Relatively quick and easy, each solid-color wrap offers comforting warmth while adding a welcome spot of color to the gray days of winter.

Twenty projects for knitted headbands, including multicolored headbands, embellishments and much more. Original.

To Fell a Tree was written for the professional tree cutter as well as the weekend woodcutter. It's loaded with practical information that is essential to the safety and success of any tree felling and woodcutting operation, whether it's in the forest or the backyard. With step-by-step methods and more than 200 illustrations, topics include preparations before the work begins, felling a tree using a three-step procedure, felling difficult trees, and limbing and bucking the tree.--COVER.

Released in paperback in 1999 by the now-defunct Open City and praised everywhere in the then-ascendant print press industry (including names that still make waves today like The New Yorker and GQ), David Berman's first (and only) book of poetry was and is a journey though shared and unreliable memory. Uncannily inspired, Berman's poems walk through doors into rooms where where one

might hear "I can't remember being born / and no one else can either / even the doctor who I met years later / at a cocktail party" (from "Self-Portrait at 28"), or praise "the interval called hangover / a sadness not co-terminous with hopelessness" (from "Cassette Country") and "that moment when you take off your sunglasses / after a long drive and realize it's earlier / and lighter out than you had accounted for" ("The Charm of 5:30"). At that time, Berman was called a modern-day Wallace Stevens and a next-wave John Ashberry, with his own logic, awareness of pop culture and sensitivity to the details of the post-postmodern world in his poems. Alongside his lyrics to a half-dozen infamous Silver Jews records, Actual Air endeared Berman to lovers of poetry, prose, and music alike. Poet James Tate said it best: "It is a book for everyone." And poet laureate Billy Collins could only add, "This is the voice I've waited so long to hear." The second edition of the hardcover version of Actual Air is limited to 1000 copies. Features of the second edition are: new larger dimensions and enlarged typeface, new dustjacket artwork variant, deluxe cloth boards, updated full-color endpapers, dust-jacket featuring a photo of the artist around the time of publication, and of course the poems that inspired all this fuss in the first place.

Explains which sewing-machine accessories to use when , with the aim of saving time,

creating beautiful embellishments, working with difficult-to-handle fabrics and much more. Original.

The classic book on business strategy in the new networked economy— from the author of the New York Times bestseller *The Inevitable* Forget supply and demand. Forget computers. The old rules are broken. Today, communication, not computation, drives change. We are rushing into a world where connectivity is everything, and where old business know-how means nothing. In this new economic order, success flows primarily from understanding networks, and networks have their own rules. In *New Rules for the New Economy*, Kelly presents ten fundamental principles of the connected economy that invert the traditional wisdom of the industrial world. Succinct and memorable, *New Rules* explains why these powerful laws are already hardwired into the new economy, and how they play out in all kinds of business—both low and high tech— all over the world. More than an overview of new economic principles, it prescribes clear and specific strategies for success in the network economy. For any worker, CEO, or middle manager, *New Rules* is the survival kit for the new economy.
