As Detective Superintendent Hannah Bernstein of Special Branch lies recuperating in the hospital, an enigmatic shadow from the past, burning with hatred, steals into her room and finishes the job. Consumed by grief and rage, Dillon, Blake Johnson, and all who loved Hannah swear vengeance, no matter where it takes them. But they have no idea of the searing journey upon which they are about to embark—or of the bloody war into which they are about to charge. Filled with dark suspense, driven by characters of complexity and passion, *Without Mercy* once again proves that Jack Higgins is the unchallenged master of international intrigue.

Jack Higgins pits the heroic covert intelligence team of Blake Johnson and Sean Dillon against a hidden foe in a very different kind of game—with a very different set of rules.

Jack Higgins's previous novels *Edge of Danger* and *Midnight Runner* put British intelligence agent Sean Dillon through "a lot of thrills [and] wild action" (*Los Angeles Times*). Now a new enemy has emerged with a dark secret from World War II--and a score to settle with agent Dillon.

Former IRA terrorist Sean Dillon and U.S. presidential aide Blake Johnson are determined to stop an assassin who is hunting down members of a secretive Irish political group on the streets of New York. Reprint.

They call themselves "January 30", after the date of a British massacre in Belfast. They are allied with no one, killing American diplomats and KGB agents, Arabs and Israelis, IRA gunmen and Loyalist soldiers. But they are definitely the enemies of peace--and they are plotting an assassination that will shatter an uneasy truce that reigns in Ireland. Former IRA enforcer Sean Dillon must hunt down January 30 before they kill again. Before they spark another war. Before Dillon himself falls prey to the ultimate assassin--the Angel of Death...

The hunt is on for a fortune in stolen British gold in this New York Times bestselling Sean Dillon novel. Former IRA enforcer Sean Dillon now works for the British government. His mission: retrieve the gold lying shipwrecked at the bottom of the Irish Sea by any means necessary—and finish Ryan's bloody plot before it gets off the ground. Two deadly men are locked in a furious race, with millions of dollars—and lives—hanging in the balance...
