Falicious: Women & Money: Owning the Power to Control Your

Suze Orman investigates the complicated, dysfunctional relationship women have with money. With her signature mix of insight, compassion, and soul-deep recognition, she equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from making more out of the money they make. At the center of the book is The Save Yourself Plan—a streamlined, five ...

Women & Money: Owning the Power to Control Your Destiny by

Many modern women in the US and Europe never question their right to open a bank account, own property, or even buy wine or beer in a pub. These rights, however, were hard won: for much of history ...

Women's rights and their money: a timeline from Cleopatra

In the Mosaic law, for monetary matters, women's and men's rights were almost exactly equal. A woman was entitled to her own private property, including land, livestock, slaves, and servants. A woman had the right to inherit whatever anyone bequeathed to her as a death gift, and inherited equally with brothers and in the absence of sons would inherit everything.

Legal rights of women in history—Wikipedia

Massachusetts also took women into consideration regarding its property rights laws. In 1787, it passed a law allowing married women, in limited circumstances, to act as femme sole traders. This term refers to women who were allowed to conduct business on their own, especially when their husbands were out to sea or away from home for another reason.
