~~Livro: A Ioga Tibetana e as Doutrinas Secretas—W. Y ...~~

Books, audiotapes, and classes about yoga are today as familiar as they are widespread, but we in the West have only recently become engaged in the meditative doctrines of the East--only in the last 70 or 80 years, in fact.

In the Tibetan tradition the ability to dream lucidly is not an end in itself rather it provides an additional context in which one can engage in advanced and effective practices to achieve liberation. Dream yoga is followed by sleep yoga also known as the yoga of clear light. It is a more advanced practice similar to the most secret Tibetan practices. The goal is to remain aware during deep sleep when the gross conceptual mind and the operation of the senses cease. The result of these practices is greater happiness and freedom in both our waking and dreaming states.

To introduce this great published work on the Eastern, yoga-inspired method of attaining enlightenment, Evans-Wentz presents 100 pages of explanatory notes. Psychoanalyst C.G. Jung offers commentary on the differences between Eastern and Western thought, and Donald S. Lopez, Jr., writes the Foreword. 9 halftones.

“A magnificent achievement. In its power to touch the heart, to awaken consciousness, [The Tibetan Book of Living and Dying] is an inestimable gift.” —San Francisco Chronicle A newly revised and updated edition of the internationally bestselling spiritual classic, *The Tibetan Book of Living and Dying*, written by Sogyal Rinpoche, is the ultimate introduction to Tibetan Buddhist wisdom. An enlightening, inspiring, and comforting manual for life and death that the *New York Times* calls, “The Tibetan equivalent of [Dante’s] *The Divine Comedy*,” this is the essential work that moved Huston Smith, author of *The World’s Religions*, to proclaim, “I have encountered no book on the interplay of life and death that is more comprehensive, practical, and wise.”

With translation on the concept of âSâunyata or voidness according to Mâadhyamika School of Buddhism.

"Young Yuma lives alone in an apartment in the city. She only has a few friends, and her parents are always away, so her nights are sad and lonely. Until Tsubaki, a beautiful sweet smelling Shinma, dances into her dreams. He gives her warmth, dreams and most of all, love. But Miyu is a guardian, it is her duty to return all Shinma to darkness, regardless of their ties to the human world. Now Yuma seeks undying vengeance for the murder of her beloved Tsubaki"--Page 4 of cover.

An attempt is made in the pages of this book to write of theosophy in such a manner as to be understood by the ordinary reader. Bold statements are made in it upon the knowledge of the writer, but at the same time it is distinctly to be understood that he alone is responsible for what is therein written: the Theosophical Society is not involved in nor bound by anything said in the book, nor are any of its members any the less good Theosophists because they may not accept what I have set down. The tone of settled conviction which may be thought to pervade the chapters is not the result of dogmatism or conceit, but flows from knowledge based upon evidence and experience. Members of the Theosophical Society will notice that certain theories or doctrines have not been gone into. That is because they could not be treated without unduly extending the book and arousing needless controversy. The subject of the Will has received no treatment, inasmuch as that power or faculty is hidden, subtle, undiscoverable as to essence, and only visible in effect. As it is absolutely colorless and varies in moral quality in accordance with the desire behind it, as also it acts frequently without our knowledge, and as it operates in all the kingdoms below man, there could be nothing gained by attempting to enquire into it apart from the Spirit and the desire. I claim no originality for this book. I invented none of it, discovered none of it, but have simply written that which I have been taught and which has been proved to me. It therefore is only a handing on of what has been known before. William Q. Judge
