including the need to raise
consciousness about youth labour
market marginalization and to
return to more accountable forms
of democracy.

Read Book Youth Unemployment And Job

Over the last decade, "youth" has become increasingly central to policy, development, media and public debates and conflicts across the world – whether as an ideological symbol, social category or political actor. Set against a backdrop of

Read Book Youth Unemployment And Job

contemporary political economy,
Youth Rising? seeks to
understand exactly how and why
youth has become such a popular
and productive social category
and concept. The book
provocatively argues that the rise
and spread of global

Read Book Youth Unemployment And Job

neoliberalism has not only led youth to become more politically and symbolically salient, but also to expand to encompass a growing range of ages and individuals of different class, race, ethnic, national and religious backgrounds. Employing both

Read Book Youth Unemployment And Job

theoretical and historical analysis, authors Mayssoun Sukarieh and Stuart Tannock trace the development of youth within the context of capitalism, where it has long functioned as a category for social control. The book's chapters critically analyze the

Read Book Youth Unemployment And Job

growing fears of mass youth unemployment and a "lost generation" that spread around the world in the wake of the global financial crisis. They question as well the relentless focus on youth in the reporting and discussion of recent global

Read Book Youth Unemployment And Job

protests and uprisings. By helping develop a better understanding of such phenomena and critically and reflexively investigating the very category and identity of youth, Youth Rising? offers a fresh and sobering challenge to the field of youth studies and to

Read Book Youth Unemployment And Job widespread claims about the relationship between youth and social change.

This book provides a comparative analysis of the impact of the economic crisis on the quality of work and work-life balance.

Read Book Youth Unemployment And Job Precariousness Political

Employment relations in advanced, post-industrial democracies have become increasingly insecure and uncertain as the risks associated with work are being shifted from employers and governments to
