Zen in the Art of Archery by Eugen Herrigel is the classic book on Zen in bowmanship. The book was maybe the most important in bringing the traditions of Zen to the European audience. However, Herrigel's interpretation of Zen and his sources have been disputed. This and Herrigel's membership of T he Militant League for German Culture, a nationalistic anti-Semitic political society during the Weimar Republic and the Nazi era have cast a long shadow over his writings and professional work.

Like archery, Zen calligraphy is practiced when one is in a state where the mind has become still, which in other culture may even be referred to as trance, or an altered state of consciousness. A zen practitioner may refer to this state as the original state of awareness. "The right art," cried the Master, "is purposeless, aimless!

Zen and the Art of Motorcycle Maintenance: An Inquiry into Values is a book by Robert M. Pirsig first published in 1974. It is a work of fictionalized autobiography, and is the first of Pirsig's texts in which he explores his "Metaphysics of Quality". Pirsig received 126 rejections before an editor finally accepted the book for publication—and he did so thinking it would never generate a profit. It was subsequently featured on best-seller lists for decades, with initial sales of at least 5 ...
