Whitehead**

Zone One is a 2011 novel by author Colson Whitehead. Blending elements of genre fiction and literary fiction, the novel takes place in a post-apocalyptic United States ravaged by zombies. Whitehead has stated that the novel was partly an attempt to return to his adolescent fascination with horror writer Stephen King and science fiction icon ...

"Zone One" by Colson

# File Type PDF Zone One Colson Whitehead

Whitehead. Whitehead is an African American author. I read one other book by him "The Underground Railroad" and decided that if that book was fantastic, this would be too. Unfortunately that wasn't true. This book was divided into three parts and the only part that became mildly interesting was the "Saturday" section. "Sunday" was the shortest and for that I'm thankful ...

## **Zone One by Colson Whitehead – Goodreads**

As I learned from reading The Underground Railroad (one of my favorite books of 2016), Colson Whitehead is

# File Type PDF Zone One Colson Whitehead

all about taking a genre that you think you know and turning it on its head. Zone One is a zombie novel, but it's not what we've come to expect from this sub-genre: it's a snarky satire that focuses its commentary more on modern society than innate humanity.

One of Zone One's departures from the "normative" zombie apocalypse narrative is the the fact that there are zombies who are not exactly pernicious, who become immobile, tethered to a location associated with a specific memory buried deep in a "mind" that can no longer think. They are catatonic beasts. They are called stragglers.

**Why now is a great time to read Colson Whitehead's Zone One.**

In this wry take on the post-apocalyptic horror novel, a pandemic has devastated the planet. The plague has sorted humanity into two types: the uninfected and the infected, the living and the living dead.
